## Executive Project Summary

### Program / Project Narrative

An ongoing community outreach program provides groceries for qualifying families of our students facing food insecurity. Using volunteers for food distribution will reduce the program's cost. The largest cost is the purchase of the food, specifically food that is not received by donation.

### Why is the program needed in Doral?

There is an increasing number of families who have children with disabilities and have chosen alternative school environments, which impacts their financial stability. Often, these families face food insecurity due to rising costs. This program will provide food assistance to those in need.

### How will the success of the program be measured?

Each family's finances will be reviewed annually to determine the level of need. Doral residents' areas of residence will be prioritized. Data on the families will include the address, the number of residents in the household, specific food needs, and how often they are assisted. We will provide educational programs on preparing healthy meals for their family, even with challenging food restrictions for their disabled child.
