Request to save video evidence for Hit & Run Case Number - 231205023127 On Tuesday the 5th DEC around 7:32 PM ,there was a hit and run to my car which was parked inside Doral legacy park behind the tennis court no 3 & 4. A white Ford F350 truck hit my Tesla Model X Red color . I've filed a police complaint immediately. The case number is 231205023127 .Tesla was able to capture the videos of the accident but the license plate is not very clear . Since this happened inside Doral Legacy Park, that evidence could have been captured in the cameras that are present there .It is very crucial for the investigating officers of my case. The exact time of the accident was on the 5th DEC at 7:32PM opposite to the tennis courts 3 & 4 that are recorded in my car. I kindly request you to extract & save the videos of Doral Legacy Park LPR cameras & surveillance cameras from 7:15 PM to 7:45PM. Can you kindly confirm once it is extracted & saved please ?
