Subject: **City Parade Celebrating July 4th**

Introduction

To propose a discussion regarding organizing a city parade in celebration of the upcoming 4th of July holiday. This initiative was proposed by the Doral Civil Air Patrol. The 4th of July is a significant date in our nation's history, and it is important for our city to come together to commemorate this day with a festive event that can bring our community closer.

The proposed city parade would be a wonderful opportunity for residents to gather, celebrate, and showcase our city's pride. It would also serve as a platform to honor our country's heritage and the values we hold dear. Organizing a city parade for the 4th of July would not only foster community spirit but also create lasting memories for our residents.

Background

Same as above.

Fiscal Impact: TBD

Recommendation

I respectfully ask my colleagues to support my recommendation to direct the City Manager to plan a 4th of July parade and work with the Doral Civil Air Patrol to collaborate on this event.
