All information, data, reports, plans, procedures or other proprietary rights in all Work items, developed, prepared, assembled or compiled by Contractor as required for the Work hereunder, whether complete or unfinished, shall be owned by the City without restriction, reservation or limitation of their use and made available at any time and at no cost to City upon reasonable written request for its use and/or distribution as City deems appropriate provided City has compensated Contractor for said Work product. City's re-use of Contractor's Work product shall be at its sole discretion and risk if done without Contractor's written permission. Upon completion of all Work contemplated hereunder or termination of this Agreement, copies of all of the above data shall be promptly delivered to the City's Contract Administrator upon written request. The Contractor may not disclose, use, license or sell any work developed, created, or otherwise originated hereunder to any third party whatsoever. The rights and obligations created under this Article shall survive the termination or expiration of this Agreement.

To the extent it exists and is necessary to perform the Work hereunder, City shall provide any information, data and reports in its possession to Contractor free of charge.

11. Termination. City shall have the right to terminate this Agreement, in whole or in part, for convenience, cause, default or negligence on Contractor's part, upon ten (10) business days advance written notice to Contractor. Such Notice of Termination may include City's proposed Transition Plan and timeline for terminating the Work, requests for certain Work product documents and materials, and other provisions regarding winding down concerns and activities.

If there is any material breach or default in Contractor's performance of any covenant or obligation hereunder which has not been remedied within ten (10) business days after City's written Notice of Termination, City, in its sole discretion, may terminate this Agreement immediately and Contractor shall not be entitled to receive further payment for services rendered from the effective date of the Notice of Termination.

In the event of termination, City shall compensate Contractor for all authorized Work satisfactorily performed through the termination date under the payment terms set forth in Article 7 above and all Work product documents and materials shall be delivered to City within ten (10) business days from the Notice of Termination. 12. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented, delayed or stopped by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of God, or act or order of a governmental instrumentality, failure of technical facilities, interruption or delay of transportation service, epidemic, pandemic, or public health emergencies (including any resurgence or re-occurrence) or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). If either party is unable to perform or is prevented, delayed or stopped in performing any obligations under this Agreement because of any event of force majeure including an event that prevents the use or ability to use the Property for its intended purpose to the benefit of the public, such inability to perform or delay shall be excused and any associated charges or payment suspended until such time as the event of force majeure ends or as long as may be reasonably necessary for either party to correct the adverse effect of such event of force majeure, to the extent and in the form as mutually agreed by the Parties.

The parties agree that, as to this Paragraph, time is of the essence.

Contractor shall at all times indemnify, hold harmless and defend the City, its officers, officials, employees, volunteers and other authorized agents from and against any and all claims, demands, suit, damages, attorneys' fees, fines, losses, penalties, defense costs or liabilities suffered by the City arising directly or indirectly from any act, breach, omission, negligence, recklessness or misconduct of Contractor and/or any of its agents, officers, or employees hereunder, including any inaccuracy in or breach of any of the representations, warranties or covenants made by the Contractor, its agents, officers and/or employees, in the performance of services of this contract. Contractor agrees to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and to bear all other costs and expenses related thereto, even if the claim(s) is/are groundless, false or fraudulent. To the extent considered necessary by City, any sums due Contractor hereunder may be retained by City until all of City's claims for indemnification hereunder have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by City.

B. Contractor acknowledges and agrees that City would not enter into this Agreement without this indemnification of City by Contractor. The parties agree that one percent (1%) of the total compensation paid to Contractor hereunder shall constitute specific consideration to Contractor for the indemnification provided under this Article and these provisions shall survive expiration or early termination of this Agreement.

15. Sovereign Immunity. Nothing in this Agreement shall constitute a waiver by the City of its sovereign immunity limits as set forth in section 768.28, Florida Statutes. Nothing herein shall be construed as consent from either party to be sued by third parties.

16. Non-Assignability and Subcontracting.

A. Non-Assignability. This Agreement is not assignable and Contractor agrees it shall not assign or otherwise transfer any of its interests, rights or obligations hereunder, in whole or in part, to any other person or entity without City's prior written consent which must be sought in writing not less than fifteen (15) days prior to the date of any proposed assignment. Any attempt by Contractor to assign or transfer any of its rights or obligations hereunder without first obtaining City's written approval shall not be binding on City and, at City's sole discretion, may result in City's immediate termination of this Agreement whereby City shall be released of any of its obligations hereunder. In addition, this Agreement and the rights and obligations herein shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. In the event of Contractor's insolvency or bankruptcy, City may, at its option, terminate and cancel this Agreement without any notice of any kind whatsoever, in which event all rights of Contractor hereunder shall immediately cease and terminate.

B. Subcontracting. Prior to subcontracting for Work to be performed hereunder, Contractor shall be required to obtain the written approval of the City's Contract Administrator. If the City's Contract Administrator, in his/her sole discretion, objects to the proposed subcontractor, Contractor shall be prohibited from allowing that subcontractor to provide any Work hereunder. Although Contractor may subcontract Work in accordance with this Article, Contractor remains responsible for any and all contractual obligations hereunder and shall also be responsible to ensure that none of its proposed subcontractors are listed on the *Convicted Vendors List* referenced in accordance with the provisions of Article 28 below.

20. Independent Contractor. The Contractor shall be deemed an independent Contractor for all purposes, and the employees of the Contractor or any of its contractors, subcontractors and the employees thereof, shall not in any manner be deemed to be employees of City. As such, the employees of the Contractor, its Contractors or subcontractors, shall not be subject to any withholding for tax, social security or other purposes by City, nor shall such Contractor, subcontractor or employee be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation or the like from City.

The intent of this provision is that City shall not be constrained to exercise such remedy at a time when it may still hope to otherwise resolve the problems created by the default or risk nor shall any waiver made by City with respect to any specific default by Contractor be considered a waiver of City's rights with respect to that default or any other default by Contractor.

The letter should present an overview of the Proposer's organization and will include the company's name, address, principal contact person for this Proposal, e-mail address, phone number, and fax number. Daily Published **OPIS Gross CBOB Ethanol 10% Unleaded Unbranded Rack Average Price** (For the applicable Reid Vapor Pressure - RVP on the date of delivery of product at the rack).

Plus

Positive or Negative differential proposed for 87 Octane Unleaded per Section 2.1. (Differential to be constant regardless of the applicable RVP.)

- 2.3 Pricing of Ultra Low Sulfur Diesel #2 is to be proposed using the following methodology:

Daily Published OPIS Gross Ultra Low Sulfur Distillate No. 2 **Unbranded Rack Average** prices.

Plus

Positive or Negative differential proposed for Diesel Fuel #2 Ultra Low Sulfur per Section 2.1.

- 2.4 The price proposed with differential shall include the vendor's cost of product, vendor's profit, the cost of delivery within a 30-mile radius of Port Everglades, and any and all other costs. A lump sum, additional delivery charge only applicable to deliveries beyond a thirty (30) mile radius of Port Everglades may be proposed on the pricing sheet. Within the thirty (30) mile radius of Port Everglades the proposed costs must include delivery regardless of the actual varying road miles required to be driven to make deliveries within that radius to each tank location. The firm markup or discount for Unleaded Gasoline or Diesel shall not change during the negotiated term of the contract, except for circumstances described under 3. PROPOSER'S COST INCREASES AND SURCHARGES. No other charges shall be added. Differential must be expressed in dollars and/or cents per gallon.

- 2.5 The selected proposer shall advise the Lead Agency of all available Federal or State credits and discounts available on all fuel types being purchased herein. The selected proposer shall apply all applicable credits and discounts to the price charged to the Co-Op and identify and reflect the discount on the applicable invoices. (Note: the applicable credits and discounts will be incorporated after award and shall not be reflected in the Price proposal Schedule.)

2.6 Alternative Fuels

Considering the dynamic nature of fuel technology and the growing demand for alternative fuels, the Co-Op reserves the right to add any alternative fuel to the fuel types required. When such a need arises, the Co-Op shall contact the selected Proposer to determine if the selected proposer has the ability to provide or obtain the alternative fuel. The Co-Op shall provide the selected Proposer with information on the fuel type, the technical specifications of the fuel, the acceptable operating parameters, the estimated quantities, delivery requirements, and any other relevant information available. The selected proposer shall submit a written price offer for the supply of the alternative fuel for the Co-Op's review and approval.

However, if the selected proposer is unable to supply the alternative fuel type, or the Co-Op does not accept the selected proposer's price offer, the Co-Op shall have the right to purchase the alternative fuel elsewhere.

- 2.7 Additional Fuel Products: Proposers may submit under a separate cover a price proposal on the following fuels. Proposers must outline the Pricing Methodology for each additional fuel product proposed.

Item No.	Description
1	Midrange Unleaded 89 Octane
2	Recreational Unleaded 90 Octane
3	Ultra Low Sulfur #2 Red Dye Diesel

4	Biodiesel Fuel B5
5	Biodiesel Fuel B20
6	E85 Fuel Ethanol
7	Bulk Diesel Fuel Exhaust Fluid (DEF)

3. PROPOSER'S COST INCREASES AND SURCHARGES

The City may, in its sole discretion, allow for a temporary surcharge to be added to the differential proposed. If the cost of labor or diesel fuel are affected by extreme or unforeseen volatility in the cost of labor or diesel fuel that satisfy all the following criteria: 1) the volatility is due to causes wholly beyond the successful Proposer's control; 2) the volatility affects the marketplace or industry, not just the particular successful Proposer's source of supply and/or labor; 3) the effect on pricing or availability of supply is substantial; and 4) the volatility so affects the successful Proposer's continued performance of the Contract would result in substantial loss. Any temporary surcharge would require irrefutable evidence and written approval by the City's Manager or their designee.

The successful Proposer and City shall negotiate a time frame for the temporary surcharge, and reevaluate the need for said surcharge upon the end of the negotiated time frame. Should the unforeseen volatility end, and the costs to the successful Proposer are reduced and no longer result in substantial loss, the temporary surcharge must be terminated. If it is determined that the additional unforeseen costs will not abate for the remaining duration of the contract term, the parties reserve the right to negotiate an amendment to the resulting agreement and the proposed differential.

4. TAXES:

- 4.1 The agencies listed herein are counties, municipalities or subdivisions of the State of Florida and are exempt from Federal Gasoline and Diesel (excise) Road taxes and Florida Sales Tax.
- 4.2 Proposals will be considered only from Proposers who do not require the payment of these taxes.

5. SUBSTITUTE/ALTERNATE METHOD FOR PRICE ADJUSTMENT:

- 5.1 The City reserves the right, based on mutual agreement with the successful proposer, to substitute an alternate method for price adjustment for a specified, negotiated period of time if:
 - A. An interruption in the OPIS Index is experienced beyond existing scheduled holidays (Independence Day, Christmas, etc.), or

- B. The listing of prices for the OPIS Index are interrupted or modified to a degree which would require alteration of the computation formula to determine a fair price, or
 - C. The use of the OPIS Index prices becomes non-representative of the market.
 - D. The Successful Proposer provides clear and convincing proof that market conditions unrelated to the OPIS Index have been materially altered from those that existed at the time of award or renewal of contract. Such proof may consist of contracts with suppliers, invoices or published indexes, etc.
- 5.2 The City may, if deemed to be in the City's best interest, elect to modify the pricing methodology in the situations listed above in the following manner using any nationally recognized, published benchmark or index.

The firm markup or discount will include the vendor's cost of product, profit, delivery costs and any other costs. The firm markup or discount for Unleaded Gasoline or Diesel shall not change during the negotiated term of the contract amendment, except for circumstances described under 3. PROPOSER'S COST INCREASES AND SURCHARGES. No other charges shall be added.

- 5.3 If it is determined by the City to be in its best interest to substitute an alternate method for price adjustment as specified above, the contractor(s) will be notified thirty (30) days prior to the effective date for the alternate adjustment. If an alternate price adjustment method is not acceptable to all awarded contractor(s), the City may cancel this contract in whole or in part by giving the contractor(s) ninety (90) days prior written notice.

6. INVOICING

- 6.1 All invoices shall be provided to each participating agency via an electronic method within twenty-four (24) hours of date of delivery of product. Each invoice shall reference the date of the applicable published **OPIS** price for that day with the appropriate differential as per the contract. Successful proposer shall list separately on invoice each individual non-exempt tax/fee and the amount of the differential.

7. ORDERING & PAYMENT:

- 7.1 Each participating governmental agency will, based on the award of contract made by the Lead Agency and with the same prices, terms, and conditions establish its own contract with the successful proposer(s) in a manner acceptable to the successful proposer; will issue its own purchase orders; will require separate billing and will issue its own tax exemption certificates as required by the successful proposer.
- 7.2 The City of Pompano Beach Purchasing Division will furnish a copy of proposers list and any other information submitted with the proposals to all participating agencies.

- 7.3 Payment will be ***made by each Participating Agency*** within fifteen (15) calendar days from delivery of product at Participating Agencies location via wire transfer to seller's account and bank, as indicated on the invoice.
- 7.4 It is understood and agreed that the City of Pompano Beach is not a legally bound party to any contractual agreement made between any other agency and the successful proposer as a result of this Request for Proposals.
- 7.5 After award of contract(s) to successful proposer(s) the City reserves the right to issue purchase orders in accordance with the terms of this contract.

8. Reporting Requirements

The selected Proposer shall submit to the Lead Agency a Fuel Purchasing Report on a monthly basis. The fuel Purchasing Report shall include fuel volume totals by fuel type for each participating agency. The report shall also include a "Grand Total" (year-to-date) fuel volume for all Participating Agencies for each fuel type. The required fields are the following:

- Reporting Period (specify month)
- Participating Agency
- Delivery volume (do not round off reported volume amounts, allow volumes to be reported up to as many decimal places as needed).

The City reserves the right to renew this agreement for four (4) additional one-year periods subject to vendor acceptance, satisfactory performance, and determination that renewal will be in the best interest of the City. All terms, prices and conditions shall remain firm for the initial period of the contract, and any renewal period. Renewals may be approved and executed by the City Manager or their designee.

The City may require additions or deletions of participating agencies. This may entail additional agencies and locations, and/or deletion of previous participating agencies. The Contractor shall serve all required additions or deletions, as requested by the City, according to the terms and conditions of the solicitation.

In the event delivery/service is scheduled to end because of the expiration of this contract, the Contractor shall continue to deliver/service upon the request of the General Services Director. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor shall be compensated for the product/service at the rate in effect when this extension clause is invoked by the City.

E. Required Proposal Submittal**Submission/Format Requirements**

Sealed proposals shall be submitted electronically through the eBid System on or before the due date/time stated above. Proposer shall upload response as one (1) file to the eBid System. The file size for uploads is limited to 100 MB. If the file size exceeds 100 MB the response must be split and uploaded as two (2) separate files.

Information to be included in the proposal: In order to maintain comparability and expedite the review process, it is required that proposals be organized in the manner specified below, with the sections clearly labeled:

1. Cover letter: A cover letter signed by an authorized representative of the firm. The letter should present an overview of the Proposer's organization and will include the firm name, address, principal contact person for this proposal, e-mail address, phone number, and fax number. A brief description of the firm's history and corporate affiliations.
2. Qualifications, capabilities, and experience: Qualifications and specialized experience of proposer for providing the type of products described in the Specifications and Requirements (Attachment "A") of this RFP.
 - a. State proposer's capability to provide these types of products on a local (Port Everglades) and regional/national level.

- b. List of representative current customers comparable in size and scope to this RFP for which the Proposer is providing petroleum products. The list should include the name and address of each client's contact person, telephone and fax numbers, e-mail address and a general description of the existing business relationship.
3. Personnel: Identify the proposed contact persons and telephone numbers for ordering services, for invoicing questions, and other key (customer service) personnel that will be assigned to this account.
4. Address how Proposer will ensure its contractual obligation to the Co-Op. Include any contractual obligations to supply fuel to other entities that could affect the Co-Op's supply of fuel. If Proposer is a fuel distributor (not a fuel terminal operator) also provide proof of monthly fuel sale volumes, including copies of any Letter of Intent or contractual agreements with terminal operators.
5. Obligations of the participating agencies: Describe the requirements (operational, legal, agreements, insurance, etc.) for the sale and delivery of petroleum products. Copies of any and all required terms and conditions, agreements, notices, or procedural descriptions should be attached to the proposal response. Proposers should describe in detail any product volume purchase requirements which would be required of **each participating agency** on a monthly basis.
6. ***Contingency plan of action. Firms should describe a plan of action to assure product availability (including requirements for additional products before and after an emergency situation), and avoid disruption of supply during any emergency situation (e.g. hurricanes). Describe your storage and distribution logistics plan to include but not be limited to: ownership or control of storage facilities in the Tri-County area, agreements or partnerships with fuel transportation providers to supplement existing delivery capabilities, redundant communication capabilities, and emergency power generation. Availability of fuels at other terminals on a regional basis should also be described in this plan of action submittal.***
7. Price Proposal: Submit your firm, fixed price proposal for providing all services, materials, etc. required for sale of petroleum products as outlined on Attachment A-item 2 "pricing methodology" with the proposal response.
8. Alternate Proposals:
 - a. An option is afforded to all proposers to submit, in addition to their original proposal, an alternate proposal, which excludes the provision of transportation services for the petroleum products, included in this RFP. Transportation services would be the responsibility of that participating agency, typically with vehicles owned and operated by the agency. Proposers wishing to submit on this basis should clearly indicate in the alternative proposal response the discount from the differential provided in the pricing pages and any requirements to be met by the participating agency, such as insurance provisions to be supplied and certifications for vehicles and operators.

- b. For the potential use of some participating agencies, the opportunity is afforded to all proposers to provide the option to pre-arrange purchase of fixed volume(s) of product(s) at a fixed price from time to time thereby assuring:
 - i. Product availability of fixed volume(s) on a ratable basis over a defined period of time, presumable in monthly increments.
 - ii. Established pre-agreed fixed pricing point(s) for product(s) during that established period of time, regardless of market conditions.

Proposers wishing to provide an alternate proposal on a fixed volume/fixed price basis should provide minimum and, if applicable, maximum monthly volumes applicable or percentage of agency estimated ratable demand that could be contracted for on this basis. If available, provide a copy of standard terms and conditions that would generally apply to such a transaction.

9. Addenda, Additional Information:

Any addenda or answers to written questions supplied by the City to potential proposers become part of this Request for Proposal and any resulting contract. The proposal form should be signed by an authorized company representative, dated and returned with the proposal.

10. Contract with Participating Agencies:

No negotiations, decisions or action shall be initiated or executed by the Offeror as a result of any discussions with any participating agency or representative of those agencies. Only those communications, which are in writing from the Purchasing Agent, or other designee, of the City of Pompano Beach may be considered as a duly authorized expression. Also, only communications from Offerors that are signed and in writing will be recognized by the City as duly authorized expressions on behalf of the Offeror.

Litigation:

Disclose any litigation within the past five (5) years arising out your firm's performance.

City Forms:

The RFP Proposer Information Page Form and any other required forms must be completed and submitted electronically through the City's eBid System.

F. Insurance

The insurance described herein reflects the insurance requirements deemed necessary for this contract by the City. It is not necessary to have this level of insurance in effect at the time of submittal, but certificates indicating that the insurance is currently carried or a letter from the Carrier indicating upgrade ability will speed the review process to determine the most qualified Proposer.

The successful Proposer(s) shall not commence operations until certification or proof of insurance, detailing terms and provisions of coverage, has been received and approved by the City of Pompano Beach Risk Manager.

CITY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of poor financial condition or failure to operate legally.

Failure to maintain the required insurance shall be considered an event of default. The requirements herein, as well as CITY's review or acceptance of insurance maintained by CONTRACTOR, are not intended to and shall not in any way limit or qualify the liabilities and obligations assumed by CONTRACTOR under this Agreement.

Throughout the term of this Agreement, CONTRACTOR and all subcontractors or other agents hereunder, shall, at their sole expense, maintain in full force and effect, the following insurance coverages and limits described herein, including endorsements.

1. Contractual Supply Obligation – UNLEADED GASOLINE & DIESEL FUEL FOR SOUTHEAST FLORIDA
GOVERNMENTAL COOPERATIVE GROUP

Dear Mr. English:

Per the terms of the RFP, the following is a brief description of our supply chain that will ensure adequate fuel supply for the Co-op, not only on a day-to-day basis, but during a declared State-of-Emergency as well.

Port Consolidated's corporate headquarters sits in the heart of the Port Everglades, which supplies both gasoline and diesel fuel to all of South Florida. We have the ability to pull day to day product from Chevron, Citgo, Gulf Oil, Indigo, Mansfield, Marathon, Motiva, Petroleum Traders, and Valero.

For those times when supplies are tight, we have contractual arrangements with Chevron, Gulf Oil, Indigo Energy, and Marathon. These contracts will ensure a guaranteed, ratable supply to the Co-op. Attached to this letter, you will find copies of those current agreements.

Port Consolidated also has the ability to pull product from other Ports throughout the State of Florida, notably the Port of Tampa, Port Manatee, Port Canaveral, Orlando, and the Port of Jacksonville. Should Port Everglades become incapacitated for any length of time, these various Ports provide us with other options to pull product. We also have relationships in Savannah.

In addition to our regular supply points, Port Consolidated also has the ability to pre-purchase and store product at any one of our 13 facilities. Our total storage capacity is just under 3 million gallons for various petroleum products.

Should you or the City of Pompano Beach Purchasing Division have any questions on this proposal, please feel free to contact me at any time.

Sincerely,

Don Carlton

GUARANTEED SUPPLY AGREEMENT

This is a Guaranteed Supply Agreement dated November 2, 2016 between Marathon Petroleum Company L.P. ("MPC"), a Delaware limited partnership with offices at 539 South Main Street, Findlay, Ohio 45840 and Port Consolidated, Inc. ("Port Consolidated"), a Florida corporation with offices at 3141 SE 14th Avenue, Fort Lauderdale, Florida 33316.

1. **Definitions.** "Products" shall mean gasoline, gasohol and distillates of all grades and types as are generally offered to MPC's Wholesale Reseller customers at a Terminal from time to time. "Terminal," "10-Day Volume," and "Monthly Volume," shall refer to the MPC terminals and the associated quantities (in gallons) listed in the table in Section 3, if applicable. "Month" (capitalized or not) shall mean a calendar month. "10-Day Period" shall mean 10 calendar days in a Month, beginning on the first day of the Month. The last 10-Day Period in a Month must end on the last calendar day of the Month and can be shorter or longer than 10 days depending on the amount of days in the Month.

2. **Term.** The initial term of this Agreement is from January 1, 2017 to December 31, 2017, inclusive. This Agreement shall automatically renew for up to two successive one-year renewal term(s) unless either party gives written notice of non-renewal at least 60 days prior to the end of the initial term or any subsequent one-year renewal term. In no instance shall this Agreement extend beyond December 31, 2019.

3. **Quantity.** (A) During each Month, Port Consolidated shall purchase 100% of the Monthly Volumes of each Product at the associated Terminal as shown in the table below. (B) During each 10-Day Period, Port Consolidated shall purchase the 10-Day Volumes of each Product at the associated Terminal as shown in the table below. (1) MPC shall not guarantee availability of Product for Port Consolidated's purchase in amounts greater than 110% of the 10-Day Volumes set forth in the table below. (2) During any 10-Day Period, all Product purchases over 110% of the 10-Day Volumes shall not apply toward Port Consolidated's obligation to purchase the Monthly Volumes. (C) In the event the needs of Port Consolidated increase beyond the volumes specified in the table below, Port Consolidated shall notify the MPC Regional Office in writing of the additional volume requested at least 30 days prior to lifting. The MPC Regional Office shall assess Product availability, and if the parties mutually agree, shall amend the volumes in the table set forth below.

Terminal	Product	Date Range	10-Day Volume	Monthly Volume
Tampa	GASOHOL	TERM	125,000	375,000
Tampa	ULSD	TERM	616,666	1,850,000
Fort Lauderdale	GASOHOL	TERM	275,000	825,000
Fort Lauderdale	ULSD	TERM	750,000	2,250,000
TOTAL MONTHLY VOLUME				5,300,000

4. **Price.** The price for any given load of Product shall be the applicable MPC Wholesale Reseller Price in effect at the following Terminal(s) as of the time that lifting ends: Tampa and Fort Lauderdale.

Port Consolidated acknowledges and agrees that MPC may use the Wholesale Reseller Price to manage customer liftings when MPC's Product supply at a Terminal is limited and Port Consolidated waives the right to claim that this method of pricing is unfair, anti-competitive, tortious, or a breach of contract.

5. **Remedies.** (A) MPC will, at its sole discretion, invoice Port Consolidated on a monthly basis an underlifting fee of \$.0300 per gallon not lifted if Port Consolidated fails to lift 100% of the Monthly Volumes of each Product at the associated Terminal as shown in the table in Section 3. Port Consolidated shall pay MPC within 15 days after receipt of the invoice for any applicable underlifting fees charged by MPC. No failure by MPC to charge for any underlifting fees to which it would be entitled in any given month shall operate as or imply any existing or future waiver of the right to charge such fees, nor shall it, in any way, limit or alter the rights of MPC set forth herein or prevent MPC from asserting its rights herein through estoppels or any similar legal theory. (B) MPC may cancel this Agreement upon 15 days' advance written notice if, for any two consecutive months, Port Consolidated fails to purchase the Monthly Volumes at the associated Terminal as shown in the table in Section 3. (C) If a supply interruption occurs at a Terminal, MPC may request Port Consolidated, to the extent logistically feasible, to lift Products at another MPC Terminal.

6. **General.** (A) THE ATTACHED PRODUCT SALES TERMS ARE PART OF THIS AGREEMENT, but the terms herein shall prevail over any conflicting terms in the Product Sales Terms. (B) The fee in Section 5(A) is not a penalty but is a reasonable liquidated damage amount. (C) This Agreement has been executed in two original counterparts. (D) Port Consolidated has the right to disclose the terms and conditions contained herein with its agents, employees, directors and officers with a need to know, however these terms and conditions are confidential, and any unauthorized disclosure by Port Consolidated without the express written consent of MPC is a material breach of this Agreement.

PRODUCT SALES TERMS

These terms will apply to any agreement to which they are attached, in which they are incorporated by reference, or which is found on the other side of these terms. In the event of a conflict between that agreement and these terms, that agreement will control. That agreement and these terms are collectively referred to below as the "Agreement", and the term "Products" refers to the petroleum products sold by Marathon Petroleum Company L.P. ("Seller") under this Agreement to the buyer identified in this Agreement ("Buyer").

1. Payment. Payment terms are subject to change by Seller at any time. If Seller does not receive payment when due, it may impose a late payment charge not to exceed the maximum amount allowed by law and if the account is placed for collection or suit is filed thereon, Seller will be entitled to attorney fees and court costs. **PAYMENTS TENDERED IN FULL SETTLEMENT OF A DISPUTED AMOUNT MUST BE CLEARLY LABELED AS SUCH AND SENT BY CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO: COMMERCIAL CREDIT MANAGER, MARATHON PETROLEUM COMPANY LP, 539 SOUTH MAIN STREET, FINDLAY, OHIO 45840.** Seller may set off amounts owed by Buyer to Seller or its subsidiaries or affiliates against amounts owed by Seller to Buyer.

2. Taxes. Buyer will pay, and indemnify Seller for, all taxes, fees, duties, environmental levies, and other charges (whether imposed on manufacture, processing, use, purchase, sale, resale, delivery, receipt, title transfer, inspection, removal from storage, measurement or passage through a measurement device, receipt of payment, or other activity, and regardless of when imposed) relating to Products, or their raw materials or feedstocks. The sole exception to this obligation is taxes based on or measured by Seller's income or net worth. Upon account set up, Buyer will promptly furnish Seller with the Buyer's appropriate state tax registration number(s), its federal identification number and any applicable tax exemption certificates. Buyer will promptly inform Seller of any changes to its tax registration or exemption status that may occur after account setup.

3. Delivery. All sales will be F.O.B. the "Ship From" location stated in this Agreement, unless this Agreement clearly provides otherwise. Title and risk of loss will pass to Buyer at the "Ship From" location as Product passes (as applicable) the transport truck or railcar inlet flange, barge permanent hose connection, or pipeline upstream flange. Title and risk of loss will not be affected by Seller's ownership of the transportation assets, arrangement of shipment, and/or pre-payment or collection of shipment expenses from Buyer. Seller will have no obligation to deliver Product at the "Ship From" location unless Buyer, its agents, and its carriers have entered into, and are in compliance with, agreements governing access to the "Ship From" location.

Where this Agreement clearly provides that delivery is F.O.B. the "Ship To" destination, title and risk of loss will pass to Buyer at the "Ship To" destination as Product passes (as applicable) the transport truck or railcar outlet flange, barge permanent hose connection, or pipeline downstream flange. Where shipment is by railcar, and Buyer is unable to accept delivery of the railcar when offered, then title and risk of loss will pass to Buyer at the time of constructive placement of the railcar. Buyer will pay and be responsible for any demurrage, fleet, shifting, parking, detention, port or other charges related to receipt or delivery of Product, unless solely caused by Seller.

4. Quantity and Inspection. Quantities will be determined by (in order of preference) calibrated meters; terminal tank gauges or short tank downgauges; or any applicable ASTM method. Quantities may be temperature-adjusted to 60°F, at Seller's option, using built-in temperature compensators or ASTM tables. Either party may require that Product quantity and quality be determined by a jointly-selected, licensed petroleum inspector, whose findings will be conclusive. Customary inspection costs will be shared equally, but additional services will be paid for by the party requesting them.

5. Compliance With Laws. Buyer, its agents, and its carriers will comply with all laws, regulations, and standards applicable to the sale, delivery (including loading, unloading, and/or transloading), transportation, storage, use, and disposition of Products, and Buyer will not deliver, or allow to be delivered, to an RVP or RFG control area any Product that would be in violation of U.S. EPA regulations applicable to that area. Buyer will require similar commitments from its purchasers. Product identified as Blend-Grade, CBOB or RBOB is for use as blending component only.

6. Safety and Health. Buyer shall thoroughly review and adhere to all Safety Data Sheets (SDS) and other safety-related information provided by Seller concerning the Products, including but not limited to the recommended use, restriction on use, precautionary measures and exposure controls for each of the Products as described in the SDS. Buyer shall comply with all state and federal laws, regulations and codes pertaining to the maintenance and distribution of SDS. Buyer acknowledges the hazards and assumes the risks associated with handling

and using each of the Products. SDS for Products are available at the following internet address: <http://www.marathonpetroleum.com/brand/products/sds/>. Buyer may request to receive SDS via email by contacting the Seller at sdsinfo@marathonpetroleum.com.

Buyer's employees, agents, and subcontractors will comply with all applicable safety standards, policies, practices and rules of conduct mandated by Seller when involved in any operations on Seller's premises in connection with the performance of this Agreement.

7. Warranties. Seller warrants good title to all Products supplied hereunder at the time of delivery to Buyer, and that each Product supplied hereunder will comply with all applicable federal, state and local rules and regulations in effect at the time and place title thereto passes to Buyer. **MPD DISCLAIMS ANY AND ALL OTHER WARRANTIES AND REPRESENTATIONS WITH RESPECT TO THE PERFORMANCE OR QUALITY OF PRODUCTS SUPPLIED HEREUNDER INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR BUYER'S PARTICULAR OR INTENDED PURPOSES OR USAGE.** Seller will, at its option and its cost (including expense of return and redelivery), remedy the defect in, replace, or refund the purchase price of, any Product that fails to meet this warranty. **THIS IS BUYER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY.**

8. Claims. All claims must be in writing. Product quality or quantity claims must be delivered to Seller within 30 days after delivery of the Product, and all other claims by Buyer must be delivered to Seller within 60 days after the event giving rise to the claim. Buyer will preserve, and permit Seller to inspect and sample, the subject Product. **ANY LAWSUIT AGAINST SELLER WHICH INVOLVES THIS AGREEMENT OR THE SALE OF PRODUCTS MUST BE BROUGHT WITHIN ONE YEAR AFTER THE CAUSE OF ACTION ACCRUES.**

9. Limitation of Liability. **IN NO EVENT WILL SELLER'S LIABILITY FOR DAMAGES (WHETHER ARISING FROM BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE) EXCEED THE PURCHASE PRICE OF THE PRODUCT CONCERNED NOR WILL SELLER BE LIABLE FOR PUNITIVE, INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

10. Force Majeure and Allocation. Neither party will be liable to the other for any delay or failure in performance (other than to make payments when due) to the extent that it is caused by circumstances beyond its reasonable control, or by fire; explosion; flood; earthquake; storm; act of God; mechanical breakdown; sabotage or vandalism; strike or other labor disturbance (Seller will not be required to settle a labor dispute or take an action that might involve it in a labor dispute); shortages of, or delays in obtaining, crude oil, feedstocks, raw materials or finished products, equipment, labor, transportation, or storage; interruption of utility services; or compliance with any law, regulation or order (regardless of validity) of any governmental or military authority. Further, if Seller at any time decides that its Product supply is insufficient to meet the actual or forecasted needs of Seller, its divisions and subsidiaries, and its and their customers (whether under contract or not), Seller may allocate its supply among all of them in any fair and reasonable manner determined by Seller.

11. Indemnity. Buyer will indemnify and defend Seller and its employees and agents against any loss, claim, liability (actual or alleged), fine, penalty, or expense (including court costs, attorney fees, and litigation expenses), of any kind (including those based in tort, warranty, or strict liability), arising out of, or in connection with: (i) the performance of this Agreement; (ii) any failure of Buyer, its agents or employees to comply with the terms and conditions of this Agreement; or (iii) any act or failure to act in the handling, storage, transportation, loading, unloading, transloading, resale, or other use, by Buyer or others, of a Product sold under this Agreement. The only exception to this obligation is when Seller's negligence or intentional misconduct is determined by a court to be the sole cause of the damage. In responding to any third-party claims, Seller may select an attorney and may enter into any settlement without affecting this obligation.

12. Default. Seller may terminate this Agreement in the event of a material default by Buyer which is not cured within 10 days after notice of default is given. Seller may also terminate this Agreement at once (and

{425885.DOCX }

(Revised 8/1/2016)

Buyer will have no right to cure) if Buyer either fails to pay any amount when due or violates the provisions of paragraph 14 below. The right to terminate is in addition to any other remedy that may be available. A waiver of a default in one instance does not extend to any subsequent default.

13. Export Sales. For any Product that will be exported from the U.S.A. by Buyer or another Party, all export-related requirements are the sole responsibility of Buyer or the Exporter. Seller is not responsible for compliance with U.S. export control laws or requirements in such transactions unless it agrees to assume that responsibility in writing. Buyer acknowledges that Product was designed and produced solely for commercial purposes. Further, Buyer agrees that unless specifically licensed by the United States government, no Product received from Seller is intended to be nor will be, shipped either directly or indirectly, to any country entity, or person or for any end-use that is prohibited under the Export Administration Regulations ("EAR"), Office of Foreign Assets Control ("OFAC") regulations, International Traffic in Arms Regulations ("ITAR") or as otherwise prohibited by any applicable law or regulation. Any diversion contrary to U.S. law is strictly prohibited. Buyer shall indemnify and hold Seller harmless from all fines, penalties, costs, and expenses (including reasonable attorney fees) incurred by reason of the breach of the foregoing.

Except where Seller has specifically provided to Buyer in writing the appropriate documentation necessary to substantiate that Product is eligible for NAFTA or other preferential duty treatment, Product sold hereunder is deemed not eligible for NAFTA or any preferential duty treatment.

For any Product that will be exported from the U.S.A. by Buyer, Seller reserves all rights as a manufacturer under 19 U.S.C. §1313 and related regulations and reserves all rights to claim drawback. Buyer will provide Seller with proof of export satisfactory to Seller and any other information needed by Seller for the timely and accurate filing of Seller's claim.

14. Trademarks. Buyer will not use Seller's name, trade or service marks, or trade dress in any way with regard to the Products.

15. General. (A) The sale of Products to Buyer, and this Agreement, will be governed by Ohio law, without giving effect to its principles of conflict of laws provisions and excluding the United Nations Convention on Contracts for the International Sales of Goods. (B) Buyer's obligations in paragraphs 2, 5, 6, 11, 13, and 14 above will survive termination of this Agreement. (C) The invalidity or unenforceability of any part of this Agreement will not affect the validity or enforceability of its remaining provisions. (D) This Agreement, and any rights or duties under it may not be assigned or delegated by Buyer; any attempted assignment or delegation by Buyer will be void. (E) In the event of a sale or transfer of all or substantially all of Buyer's equity shares or assets, or a controlling interest in either, by merger, acquisition, exchange, joint venture, or other similar transaction, Seller may, at its sole option, immediately terminate this Agreement. (F) No claim or notice relating to this Agreement to be given to Seller will be valid unless sent by certified mail return receipt requested or by a national overnight courier service to Seller addressed as follows: Manager, Wholesale Marketing, Marathon Petroleum Company L.P., 539 South Main Street, Findlay, Ohio 45840. All notices given by Seller to Buyer may be sent to the addresses shown on the most recent written correspondence sent to Seller by Buyer, or to such addresses as may be requested in writing by Buyer in the future. (G) No amendment or modification of this Agreement will be valid unless made in a writing signed by authorized representatives of both parties. Any attempt by either party, through a job order, purchase order, invoice, or other document, to vary in any degree any of the terms of this Agreement will be deemed immaterial and will be void, unless contained in an amendment executed as specified hereinabove. (H) No failure to exercise or election not to exercise any of a party's rights hereunder will constitute any waiver or modification of such rights, or be deemed to be a course of performance or dealing, modifying or waiving the parties' rights, remedies, duties, obligations or liabilities under this Agreement or any part thereof. (I) This Agreement contains the entire agreement of the parties with respect to its subject matter.

Product Sales Contract (Reseller)

This contract is dated November 01, 2016, and is between Chevron Products Company, a division of Chevron U.S.A. Inc. ("Seller"), and PORT CONSOLIDATED INC ("Buyer").

Seller and Buyer agree as follows.

1. **TERM.** The term of this contract shall commence on November 04, 2016, and shall end on October 31, 2017, unless sooner terminated by either party in accordance with the provisions of this contract.
2. **PRODUCTS AND QUANTITIES.** Seller agrees to sell to Buyer, and Buyer agrees to purchase from Seller those grades of diesel fuel and other products specified in Exhibit A of this contract. Buyer agrees to purchase from Seller during each calendar month not less than the minimum quantities of products specified in Exhibit A. Seller shall not be obligated to sell to Buyer in any calendar month quantities of products in excess of the maximum quantities specified in Exhibit A, but Seller may elect to do so at its option after request by Buyer. Such minimum and maximum quantities shall be prorated for any period less than a calendar month included within the term of this contract. Buyer shall not represent or authorize or permit any other person to represent that the products purchased under this contract are the products of Seller or use or authorize or permit any other person to use any of the trademarks, service marks, trade names, color schemes or service station designs utilized by Seller or any other identification, designation or marking of any kind that would identify such products with Seller. It is understood and agreed that the products purchased under this contract shall be resold by Buyer under Buyer's brands and trade names, and Seller hereby gives its consent to the rebranding of such products. If Buyer breaches any of the provisions of this section 2, such breach shall, at Seller's option, be deemed a breach of this entire Agreement and, in addition to such other remedies as it may have, Seller shall have the right to terminate this Agreement forthwith.
3. **PRODUCT QUALITY.** The products sold under this contract shall be of the quality as is generally offered by Seller for similar use at the relevant delivery location. To facilitate the investigation of any claim or concern regarding the quality of the products delivered under this contract, Buyer shall keep complete and accurate records of Buyer's purchase, transportation, receipt, inventory, transfer, use, sale, or delivery of all products purchased by Buyer in bulk from Seller and any other supplier. Seller's representatives shall be permitted to inspect and audit such records at any time during Buyer's business hours on reasonable notice to Buyer for up to one year after the termination of this contract. Seller's representatives shall also have the right at any time to enter upon the premises where the products purchased under this contract are stored by or for Buyer and to take samples of such products for testing purposes, compensating Buyer (at Buyer's cost, which for this purpose shall be based on Seller's price to Buyer in effect at the time such samples are taken, or, at Seller's option, in kind) for any products so taken.
4. **PRICE.** The prices that Buyer shall pay Seller for products purchased under this contract shall be determined as set forth in Exhibit A (except as otherwise provided in section 22 with respect to any Discretionary Sales (as defined below)).
5. **PAYMENT AND FINANCIAL RESPONSIBILITY.** Buyer's payments for products shall be in U.S. dollars without discount by electronic transfer of immediately available funds to an account, bank and location designated by Seller.

Buyer shall, except at Seller's option, pay Seller cash before delivery for products purchased hereunder.

Buyer acknowledges the importance of payment within the terms specified when credit is extended and agrees that past due amounts shall bear interest at the rate of 18% per year or the maximum rate permitted by the state of Buyer's address for notices as specified in Exhibit A of this contract, whichever is less. If Buyer fails to make payment within the specified terms, such failure shall, at Seller's option, be deemed a breach of this entire contract and, in addition to such other remedies as it may have, Seller shall have thereafter the right to demand advance cash payment, to withhold deliveries until such advance payment (including payment of all amounts then outstanding for products delivered by Seller to Buyer hereunder) is received, or to terminate this contract. The acceptance of any payment by Seller after the due date shall not waive any of Seller's rights hereunder nor shall such withholding of deliveries or termination of this contract affect any obligation of Buyer hereunder. If credit is extended to Buyer by Seller, the buyer shall periodically provide to (Chevron) that financial information or security

PC

deemed necessary by (Chevron) to support any credit extension. If during the life of this contract, the financial capacity of the buyer becomes impaired or unsatisfactory to (Chevron) in the sole judgment of (Chevron), advance cash payment or security satisfactory to (Chevron) shall be given by the buyer on demand by (Chevron) and shipments/deliveries may be withheld until such payment or security is received.

Seller's terms of payment are subject to change without notice at the discretion of Seller.

6. TAXES. Any tax, duty, toll, fee, impost, charge or other exaction, or the amount equivalent thereto, and any increase thereof now or hereafter imposed, levied or assessed by any governmental authority upon, measured by, incident to or as a result of the transactions herein provided for (other than local, state and Federal net income taxes measured by the net income of Seller from all sources), or the transportation, importation, production, manufacture, use or ownership of the goods covered by this contract, shall, if collectible or payable by Seller, be paid by Buyer on demand by Seller. Any such payments shall be in addition to the prices otherwise provided for in this contract. Buyer shall, at Seller's request, execute and deliver to Seller such certificates or other documents as Seller may reasonably require in order to enable Seller to secure any tax exemption which may be available in connection with sales or deliveries hereunder.
7. DELIVERIES. Product deliveries shall be made by Seller to Buyer at the locations specified in Exhibit A (except as otherwise provided in section 22 with respect to any Discretionary Sales). Title and risk of loss shall pass to Buyer at the point of delivery into Buyer's trucks, railcars, storage facilities, or other receiving unit. If deliveries are to be made into vehicles supplied by Buyer, Seller shall not be required to make such deliveries into such vehicles unless they are clean and empty immediately prior to delivery and shall not be required to load or deliver quantities less than the full capacity of the vehicle, except as otherwise authorized by Seller. If deliveries are to be made into Buyer's storage facilities, Buyer shall provide storage facilities sufficient to enable it to receive such deliveries and shall provide Seller with unimpeded access to make deliveries 24 hours per day. Buyer is responsible for ensuring that any vehicles and facilities used to receive deliveries are in safe condition and that Buyer's storage facilities can be accessed safely. Seller shall not be obligated to make any delivery to Buyer that cannot be made safely in Seller's sole judgment. Buyer shall comply with such reasonable rules and regulations as Seller may establish regarding deliveries by Seller into Buyer's vehicles or storage facilities. Orders for deliveries shall be placed by Buyer with such advance notice and in such manner as Seller may designate.
8. CONFLICTS OF INTEREST. Neither Buyer nor any director, employee or agent of Buyer shall (1) give to or receive from any director, employee or agent of Seller or its affiliates any commission, fee, or rebate, or any gift or entertainment of significant cost or value in connection with this contract, or (2) enter into any business arrangement with any director, employee or agent of Seller or its affiliates (other than as a representative of Seller or its affiliates) without prior written notice to Seller. Buyer shall promptly notify Seller of any violation of this section 8 and any consideration received as a result of such violation shall be paid over or credited to Seller. Any representative authorized by Seller may audit any and all records of Buyer for the sole purpose of determining whether there has been compliance with this section 8 for up to 24 months after the termination of this contract.
9. PREVENTION OF PERFORMANCE; SHORTAGE OF SUPPLY. There shall be no obligation to sell or deliver, or to purchase or receive, products under this contract when, and to the extent that, such actions are prevented or hindered by act of God, fire, riot, labor disturbances (whether involving employees of the party affected or of others and regardless of whether the disturbance could be settled by acceding to the demands of a labor group), accident, war, the acts of any government (at any level, foreign or domestic) or any causes beyond the reasonable control of the party affected, whether or not similar to any of the foregoing causes. Due to an interruption, loss or shortage of necessary facilities or supplies, or uncertainties in the supply-demand situation (which may include a decision by Seller that the costs of some products which might be available are unreasonable), Seller may not have sufficient supplies of one or more of the products covered by this contract to meet the full requirements of Buyer, of Seller's other customers, and of Seller for its own use. If there is a shortage of products deliverable under this contract, Seller may allocate deliveries of available products among Buyer, Seller's other customers (contract or otherwise, including Seller's affiliates) and Seller for its own use, on any basis which in Seller's sole judgment is fair and reasonable, allowing for such priorities as Seller deems appropriate. Allocation is fair and reasonable even if it is based on a shortage in the then-contemplated sources of supply or a general shortage in the supply system of Seller or its affiliates or on historical or planned deliveries.
10. OIL SPILLS. If a product spill occurs anywhere in connection with Buyer's performance of this contract, Buyer shall promptly notify Seller and the appropriate governmental authorities and shall take immediate action to clean up the spill and prevent further damage. Upon receipt of such notification, Seller shall have the right, at its election, to provide, or cause to be provided to Buyer such additional manpower, equipment and material as in Seller's sole discretion are deemed reasonable to complete the clean-up in a satisfactory manner. Buyer shall pay and be responsible for, and Buyer's indemnity obligation under section 11 of this contract shall include all costs and expenses incurred in connection with the clean-up operations, including reimbursement to Seller for all of its costs and expenses, and all fines, charges, fees or judgments imposed or levied by any Federal, state or local governmental agency as a result of such spill, except in the event the spill resulted solely from any act or omission on the part of Seller or Seller's employees.

11. INDEMNITY. Buyer shall indemnify, defend and hold harmless Seller and its affiliates, and their respective directors, employees and agents, from and against any and all expenses (including attorneys' fees), liabilities and claims of whatsoever kind and nature including those for damage to property (including property of Buyer), or for injury to or death of any person (including Buyer), directly or indirectly arising or alleged to arise out of or in any way connected with the acquisition, storage, handling, or use of any products purchased under this contract, or with the maintenance, upkeep, repair, replacement or operation of any premises used by Buyer in connection with this contract or anything located thereon, including any act or omission of Buyer or Buyer's agents or employees in the performance of this contract, or in the operation of any vehicle in connection with Buyer's business. The foregoing indemnity shall not apply to the extent and only to the extent such expense, liability or claims result from Seller's sole negligence or willful misconduct.
12. DEFINITIONS AND USAGES. In this contract, unless otherwise stated or the context otherwise requires, the following definitions and usages apply:
- "Seller and its affiliates" means Seller, its ultimate parent company Chevron Corporation, and the subsidiary and affiliated companies of each of them.
 - "U.S." refers to the United States of America, and all prices are expressed in U.S. currency and all units of measure are in U.S. units.
 - "Includes" means "includes, but is not limited to," and "including" means "including but not limited to."
 - Actions permitted under this contract may be taken at any time and from time to time in the actor's discretion.
 - "A or B" means "A or B or both."
13. APPLICABLE LAW AND DISPUTE RESOLUTION. This contract shall be governed, construed, interpreted, enforced and the relations between the parties determined in accordance with the laws of the state of California, without regard to its choice of law rules. In the event a dispute arises with respect to the interpretation or performance of, or the relationship created by, this contract, the parties shall attempt in good faith to resolve the dispute. If such efforts prove unsuccessful, each party agrees to consider the use of mediation, mini-trial, arbitration or other alternative dispute resolution techniques prior to resorting to litigation. If mediation, mini-trial, arbitration or other alternative dispute resolution techniques are utilized by the parties, each party agrees that no award or decision resulting therefrom shall include punitive damages. If the parties are unsuccessful in their good faith attempt to otherwise resolve a dispute, the parties hereby irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the courts of either (1) Contra Costa County in the State of California, or (2) the federal courts of the Northern District of California, for any actions, suits or proceedings arising out of or relating to this contract (and the parties each agree not to commence any action, suit or proceeding relating thereto except in such courts).
14. PRIOR AGREEMENTS; WAIVER; MODIFICATIONS. This contract constitutes the entire agreement of the parties with respect to its subject matter and terminates and supersedes any prior agreement, understanding, representation, or proposal relating to the sale by Seller of products to Buyer at the delivery locations specified in Exhibit A or ancillary Discretionary Sales contemplated by section 22. Waiver by Seller or Buyer of one or more breaches of this contract shall not be deemed to be a waiver of any other or continuing breach. No modification of this contract, and no waiver of any of its provisions, shall be binding on Seller or Buyer unless in writing and signed by Seller and Buyer.
15. SEVERABILITY. If any provision of this contract shall be adjudged invalid or unenforceable by a court of competent jurisdiction or by operation of any applicable law, such provision shall be deemed omitted and the remaining provisions shall remain in full force and effect.
16. MSDS. Buyer acknowledges receipt of Material Safety Data Sheets (MSDS) for all products covered by this contract.
17. DAMAGES. In no event shall Seller be liable for any special, indirect or consequential damages of any kind including loss of profits, loss of use or claims of Buyer's customers due to loss of service whether the damages are based in contract or tort (including negligence or strict liability) or otherwise. Buyer's exclusive remedy for any and all losses or damages resulting from the purchase of products under this contract, including, but not limited to, any allegation of breach of warranty, breach of contract, negligence or strict liability, shall be limited, at Buyer's option, to either the return of the purchase price or the replacement of the fuel for which a claim is proved.
18. ASSIGNMENT AND DELEGATION. This contract is personal to Buyer and Buyer shall not, subject to any valid requirements of any applicable statute, assign any rights or delegate any duties that Buyer may have under this contract, either voluntarily, involuntarily or by operation of law, or otherwise, without the prior written consent of Seller. If Buyer is a corporation, any sale, conveyance, alienation, transfer or other change of interest in or title to or beneficial ownership of 50 percent or more of the voting stock (or securities convertible into 50 percent or more of the voting stock) of Buyer, either voluntarily, involuntarily, by operation of law, merger or other corporate proceedings, or otherwise, shall be construed as an assignment of Buyer's rights under this contract. Seller may assign any of its rights or delegate any of its duties under this contract without Buyer's consent.

19. NOTICES Notices to be given under this contract shall be in writing and delivered by mail, in person, or by facsimile to the other party at the appropriate address specified in Exhibit A, or at such other address as either party may designate by written notice to the other. Notices shall be effective at time of receipt.
20. TERMINATION Seller and Buyer shall have the right to terminate this contract at any time without cause upon giving the other party at least 30 days' prior written notice of termination. Termination of this contract shall not relieve the parties of responsibility for obligations incurred prior to termination. If Seller continues to accept orders from Buyer for the products covered by this contract following expiration of the term of this contract, such sales shall be upon all of the terms and conditions of this contract provided that such sales shall not be construed to evidence a renewal of this contract by operation of law or otherwise.
21. WARRANTY Seller warrants that it has title to the products sold under this contract. EXCEPT AS OTHERWISE PROVIDED IN THE FOREGOING SENTENCE AND IN THE FIRST SENTENCE OF SECTION 3 OF THIS CONTRACT, BUYER ACKNOWLEDGES AND HEREBY ACCEPTS THAT SELLER EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING WITHOUT LIMITATION, ANY AND ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTIES ARISING FROM ANY COURSE OF DEALING OR USAGE OF TRADE.
22. DISCRETIONARY SALES Seller and Buyer may (but are not obligated to) engage in sale transactions for products or delivery locations not specified in Exhibit A ("Discretionary Sales"). Unless otherwise agreed to in writing by Seller and Buyer, any Discretionary Sales shall be deemed made "under this contract" and on its terms except that the specific products, prices, quantities, and delivery locations for Discretionary Sales shall be as mutually agreed upon by Seller and Buyer for each such transaction. The quantities of products sold in Discretionary Sales shall not count against the minimum or maximum volumes specified in Exhibit A.

PETROLEUM PRODUCT SALE AGREEMENT

[Unbranded-Term-Rack]

This *Petroleum Product Sale Agreement* ("Agreement"), dated to be effective as of October 1, 2016 (the "*Effective Date*"), is entered into by and between PORT CONSOLIDATED, INC., a Florida Corporation ("*Buyer*"), and INDIGO ENERGY PARTNERS, LLC, a Georgia limited liability company ("*Seller*"). Each of Buyer and Seller is referred to herein individually as a "*Party*" and collectively, as the "*Parties*."

1. Term. The term of this Agreement (the "*Term*"), shall be from the Effective Date through September 30, 2017 (the "*Expiration Date*").

2. Purchase and Sale. Seller agrees to sell and deliver to Buyer, and Buyer agrees to purchase and receive from Seller, the product or products described on Exhibit A (collectively, the "*Products*", and each individually, a "*Product*"), in accordance with the terms and provisions of this Agreement. Seller's obligations under this Agreement are expressly conditioned upon Buyer satisfying Seller's credit and other financial requirements.

3. General Terms and Conditions. The general terms and conditions set forth on the attached Exhibit B are incorporated herein for all purposes.

4. Volume Requirements; Delivery Point. Exhibit A attached hereto and made a part hereof designates the monthly ratable volumes (the "*Monthly Volume*"), and total aggregate gallons (the "*Total Volume*") of each Product that Buyer has agreed to purchase under this Agreement, and further designates the location (each, a "*Delivery Point*") where each Product will be delivered FCA to Buyer. During each calendar month during the Term, Seller agrees to sell, and Buyer agrees to purchase, not less than 90% and not more than 110% of the Monthly Volume at each Delivery Point (the "*Volume Range*"), which shall be ratable on a daily and weekly basis, and Buyer will not be allowed to purchase from Seller, and Seller will not be required to sell to Buyer, more than 110% of the ratable weekly portions of, or more than 110% of the ratable daily portions of the Monthly Volume. The volume of Product purchased will be determined solely by the amount set forth on the net bill of lading generated at the Delivery Point. The Monthly Volume may be adjusted from time to time upon mutual agreement; provided, however, in such case a formal amendment to this Agreement is not necessary.

5. Price and Payment. Buyer agrees to pay Seller, at the prices specified therefor on Exhibit A (the "*Price*"), for all Products purchased under this Agreement within ten (10) days after the date of the relevant bill of lading. Notwithstanding anything to the contrary contained herein, or contained in any other agreement between the Parties, Buyer shall pay to Seller on demand amounts equivalent to any and all (collectively, the "*Fees*"): Taxes, duties, charges, and fees, and any and all increases thereon which are now or hereafter imposed, directly or indirectly, on, against, in respect of, or measured by the Products, or any material contained in the Products, or the inspection, production, manufacture, sale, purchase, storage, transportation, delivery, or other handling of the Products or material contained in the Products, or any feature thereof, or otherwise relating to this Agreement. Fees are not included in the Price and will be billed as a separate line item on each invoice.

6. Termination. This Agreement may be terminated by either party upon thirty (30) days written notice.

7. Ratability. In addition to any other rights that Seller may have under this Agreement as a result of Buyer's failure to purchase Products within the Volume Range, if Buyer fails to purchase at least

90% of the Monthly Volume for a given Product at a given Delivery Point, at Seller's sole discretion, upon written notice to Buyer (the "*Underlift Notice*"), Seller may reduce the Monthly Volume thereafter required to be sold and delivered by Seller to Buyer to the actual amount purchased by Buyer (the "*Adjusted Monthly Volume*"), which amount will be stated in the Underlift Notice.

8. Miscellaneous.

a. *Notices.* All notices required by, permitted by or otherwise related to this Agreement shall be in writing and sent by facsimile, overnight courier, hand, registered or certified mail, return receipt requested with all postage fully paid to the relevant Party at the address set forth below the signature block below. A Party may change or provide additional notice information to the other by giving notice in accordance with this section. The signatures of all of the Parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or electronically scanned transmittal (including via electronic mail in portable document format) is effective execution for all purposes under this Agreement.

Contingency Plan of Action – UNLEADED GASOLINE & DIESEL FUEL FOR SOUTHEAST FLORIDA GOVERNMENTAL COOPERATIVE GROUP

Dear Mr. English:

Per the terms of the RFP, the following is a brief description of our Contingency Plan of Action.

1. Port Consolidated has contracted with 3 different suppliers in Port Everglades for approximately 4 million gallons per month of diesel and 825K gallons per month of gasoline.
2. Port Consolidated has contracted with 2 different suppliers in the Port of Tampa and Orlando for approximately 2.25 million gallons per month of diesel and 375K gallons per month of gasoline.
3. Port Consolidated also has active accounts in Port Everglades with 7 other suppliers.
4. Port Consolidated operates 13 different petroleum storage facilities in Florida that can hold up to 3 million gallons of product.
5. Port Consolidated has more rolling assets than any supplier in the State of Florida. We have the ability to shift those assets from one market to another depending on where the emergency needs arise.
6. Port Consolidated fills any/all petroleum storage available throughout its network prior to any named storm. This storage capacity will allow us continuous operation while the other terminals are not releasing product.
7. Port Consolidated operates 9 offices throughout the State of Florida. We have computer servers stored at a hurricane proof facility in Dade County. Our office can function from any one of our 9 offices throughout the State.
8. Port Consolidated has 6 satellite phones to utilize during times of crisis when AT&T is not operating.
9. Port Consolidated has a fleet of mobile generators in stock to position at any of our locations that may experience a power outage.

10. Port Consolidated operates 6 different Cardlock facilities (private fueling stations) throughout the Tri-County area. These facilities are not open to the public. They do require card activation through the CFN network.
11. Port Consolidated has the ability to pull product from all other Florida Ports should Port Everglades become incapacitated.

These 11 simple steps should allow us to function properly throughout a time of crisis.

Should you or the City of Pompano Beach Purchasing Division have any questions on this proposal, please feel free to contact me at any time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Don Carlton', is written over the typed name.

Alternate Proposal – UNLEADED GASOLINE & DIESEL FUEL FOR SOUTHEAST FLORIDA GOVERNMENTAL COOPERATIVE GROUP

Dear Mr. English:

Please be advised. For those municipalities that wish to haul their own product, Port will deduct \$0.01 per gallon from the standard delivered transport offering.

Port Consolidated also has the ability to arrange for "Fixed Price" fuel contracts. These programs will allow municipalities to budget their fuel costs without having to combat day to day market volatility.

Please see the attached "Fixed Price" Supply Agreement. Pricing or quotes for such programs change by the minute. We would prefer to quote accordingly if and when the need arises.

Should you or the City of Pompano Beach Purchasing Division have any questions on this proposal, please feel free to contact me at any time.

Sincerely,

ADDENDUM #1, BID E-13-17

Unleaded Gasoline and Diesel Fuel for Southeast Florida Purchasing Cooperative Group

To Whom It May Concern,

Please review the following question and the City's answer.

Q1: I wanted to confirm the volume on the bid as it seems to be a sizable difference from last year. Last year's volume: 21,434,744 gallons. This year's volume: 3,621,580 gallons. I wanted to make sure we recorded the correct gallons in our system and communicated it to our bid team.

A1: The aggregate fuel capacity of the Southeast Florida Governmental Purchasing Cooperative Group, which is shown in Attachment B, represents only one fill-up of all the tanks owned by each participating Co-op member. Attachment D "Co-op volume report Jan-Dec 2015" may be more useful for annual volume projections, as it records a full year's history of multiple deliveries.

Q2: [We] would like to prepare a proposal for the above referenced bid. However, I would like to know if we have to bid on all sites, or can we bid on just the tanker sites?

A2: This is an "all or nothing" solicitation. The successful proposer will be expected to provide diesel AND unleaded gasoline to all participating Co-op agencies.

Q3: Please provide a copy of the prior bid tabulations, invoice and bill of lading for our records for each location with a tank capacity of 5,000 or more.

A3: The previous contract, Attachment C Coral Springs Contract 14-A-035 RFP has been added to the attachments tab. As the successful proposer will bill, deliver to, and enter into separate contracts with approximately 40 participating Co-op agencies, there is no single source for the invoices and bills of lading for each of these agencies.

Q4: What are the volumes for this bid, either by agency or total? I need to be able to judge the commitments that need to be made and realistic projections of what products will be needed and in what quantity.

JP

Addendum #1, E-13-17

A4: Attachment D "Co-op volume report Jan-Dec 2015" has been added to the attachments tab.

Q5: What agencies may use their own trucks and what volumes would they require?

A5: Presently, the City of Boca Raton uses their own trucks. Attachment D "Co-op volume report Jan-Dec 2015" contains a record of their volume.

Attachments C and D have been added to the attachments tab of the electronic solicitation. Addendum #1 is posted on the City's eBid website: <http://pompanobeachfl.ionwave.net>. Acknowledge receipt of this Addendum using the Addendum Attribute on the Attributes tab in the eBid System.

The deadline for receipt of written questions is **5:00 p.m. (local) December 28, 2016**. No further questions will be accepted after this date. Oral and other interpretations or clarifications will be without legal effect.

The deadline for acceptance of sealed bids in the Purchasing Office, 1190 N.E. 3rd Avenue, Bldg. C, Pompano Beach, 33060, is **2:00 p.m. (local), January 4, 2017**.

The remainder of the solicitation is unchanged at this time.

Upon completion of all Work contemplated hereunder or termination of this Agreement, copies of all of the above data shall be promptly delivered to the City's Contract Administrator upon written request. The Contractor may not disclose, use, license or

sell any work developed, created, or otherwise originated hereunder to any third party whatsoever. The rights and obligations created under this Article shall survive the termination or expiration of this Agreement.

To the extent it exists and is necessary to perform the Work hereunder, City shall provide any information, data and reports in its possession to Contractor free of charge.

11. Termination. City shall have the right to terminate this Agreement, in whole or in part, for convenience, cause, default or negligence on Contractor's part, upon ten (10) business days advance written notice to Contractor. Such Notice of Termination may include City's proposed Transition Plan and timeline for terminating the Work, requests for certain Work product documents and materials, and other provisions regarding winding down concerns and activities.

If there is any material breach or default in Contractor's performance of any covenant or obligation hereunder which has not been remedied within ten (10) business days after City's written Notice of Termination, City, in its sole discretion, may terminate this Agreement immediately and Contractor shall not be entitled to receive further payment for services rendered from the effective date of the Notice of Termination.

In the event of termination, City shall compensate Contractor for all authorized Work satisfactorily performed through the termination date under the payment terms set forth in Article 7 above and all Work product documents and materials shall be delivered to City within ten (10) business days from the Notice of Termination. If any Work hereunder is in progress but not completed as of the date of the termination, then upon City's written approval, this Agreement may be extended until said Work is completed and accepted by City.

12. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation hereunder if such performance is prevented by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of nature or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall economic hardship or lack of funds be considered an event of Force Majeure. If either party is unable to perform or delayed in their performance of any obligations hereunder by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for either party to correct the adverse effect of such event of Force Majeure.

Contractor must follow all Federal, State, County, and City safety guidelines, including all CDC safety guidelines in effect during the term of the program, including but not limited to social distancing, and personal protection equipment. Inability to conduct the program and follow any and all required safety guidelines from the COVID-19 crisis or other similar emergency, or failure to follow such requirements including, but not limited to, social distancing, shall constitute grounds for immediate cancellation of this Agreement unilaterally by the City upon written notice, which may be provided via electronic mail.

The parties, by mutual agreement, may reschedule the performance of the services to a later date pursuant to the terms of this agreement.

13. Insurance. Contractor shall maintain insurance in accordance with Exhibit "B" throughout the term of this Agreement.

14. Indemnification. Except as expressly provided herein, no liability shall attach to the City by reason of entering into this Agreement.

A. Contractor shall at all times indemnify, hold harmless and defend the City, its officers, officials, employees, volunteers and other authorized agents from and against any and all claims, demands, suit, damages, attorneys' fees, fines, losses, penalties, defense costs or liabilities suffered by the City arising directly or indirectly from any act, breach, omission, negligence, recklessness or misconduct of Contractor and/or any of its agents, officers, or employees hereunder, including any inaccuracy in or breach of any of the representations, warranties or covenants made by the Contractor, its agents, officers and/or employees, in the performance of services of this contract. Contractor agrees to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and to bear all other costs and expenses related thereto, even if the claim(s) is/are groundless, false or fraudulent. To the extent considered necessary by City, any sums due Contractor hereunder may be retained by City until all of City's claims for indemnification hereunder have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by City.

B. Contractor acknowledges and agrees that City would not enter into this Agreement without Contractor's indemnification of the City. The parties agree that one percent (1%) of the total compensation paid to Contractor hereunder shall constitute specific consideration to Contractor for the indemnification provided under this Article and these provisions shall survive expiration or early termination of this Agreement.

15. Sovereign Immunity. Nothing in this Agreement shall constitute a waiver by the City of its sovereign immunity limits as set forth in section 768.28, Florida Statutes. Nothing herein shall be construed as consent from either party to be sued by third parties.

16. Non-Assignability and Subcontracting.

A. Non-Assignability. This Agreement is not assignable and Contractor agrees it shall not assign or otherwise transfer any of its interests, rights or obligations hereunder, in whole or in part, to any other person or entity without City's prior written consent which must be sought in writing not less than fifteen (15) days prior to the date of any proposed assignment. Any attempt by Contractor to assign or transfer any of its rights or obligations hereunder without first obtaining City's written approval shall not be binding on City and, at City's sole discretion, may result in City's immediate termination of this Agreement whereby City shall be released of any of its obligations hereunder. In addition, this Agreement and the rights and obligations herein shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. In the event of Contractor's insolvency or bankruptcy, City may, at its option, terminate and cancel this Agreement without any notice of any kind whatsoever, in which event all rights of Contractor hereunder shall immediately cease and terminate.

B. Subcontracting. Prior to subcontracting for Work to be performed hereunder, Contractor shall be required to obtain the written approval of the City's Contract Administrator. If the City's Contract Administrator, in his/her sole discretion, objects to the proposed subcontractor, Contractor shall be prohibited from allowing that subcontractor to provide any Work hereunder. Although Contractor may subcontract Work in accordance with this Article, Contractor remains responsible for any and all contractual obligations hereunder and shall also be responsible to ensure that none of its proposed subcontractors are listed on the *Convicted Vendors List* referenced in accordance with the provisions of Article 28 below.

17. Performance Under Law. 18. Audit and Inspection Records. The Contractor shall permit the authorized representatives of the City to inspect and audit all data and records of the Contractor, if any, relating to performance under the contract until the expiration of three years after final payment under this contract.

The Contractor further agrees to include in all his subcontracts hereunder a provision to the effect that the subcontractor agrees that City or any of their duly authorized representatives shall, until the expiration of three years after final payment under the subcontractor, have access to and the right to examine any directly pertinent books, documents, papers and records of such subcontractor, involving transactions related to the subcontractor.

19. Adherence to Law. Both parties shall adhere to all applicable laws governing their relationship with their employees including, but not limited to, laws, rules, regulations and policies concerning worker's compensation, unemployment compensation and minimum wage requirements.

20. Independent Contractor. The Contractor shall be deemed an independent Contractor for all purposes, and the employees of the Contractor or any of its contractors, subcontractors and the employees thereof, shall not in any manner be deemed to be employees of City. As such, the employees of the Contractor, its Contractors or subcontractors, shall not be subject to any withholding for tax, social security or other purposes by City, nor shall such Contractor, subcontractor or employee be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation or the like from City.

21. Contractor cooperation. The Contractor recognizes that the performance of this contract is essential to the provision of vital public services and the accomplishment of the stated goals and mission of City. Therefore, the Contractor shall be responsible to maintain a cooperative and good faith attitude in all relations with City and shall actively foster a public image of mutual benefit to both parties. The Contractor shall not make any statements or take any actions detrimental to this effort.

22. Public Records.

A. The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law, as amended. Specifically, the Contractor shall:

1. Keep and maintain public records required by the City in order to perform the service.

2. Upon request from the City's custodian of public records, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the City.

4. Upon completion of the contract, transfer, at no cost to the City, all public records in possession of the Contractor, or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.

B. Failure of the Contractor to provide the above described public records to the City within a reasonable time may subject Contractor to penalties under 119.10, Florida Statutes, as amended.

B. No Waiver by Delay. The City shall have the right to institute such actions or proceedings as it may deem desirable for effectuating the purposes of this Agreement provided that any delay by City in asserting its rights hereunder shall not operate as a waiver of such rights or limit them in any way. The intent of this provision is that City shall not be constrained to exercise such remedy at a time when it may still hope to otherwise resolve the problems created by the default or risk nor shall any waiver made by City with respect to any specific default by Contractor be considered a waiver of City's rights with respect to that default or any other default by Contractor.

C. Either party may request changes to modify certain provisions of this Agreement; however, unless otherwise provided for herein, any such changes must be contained in a written amendment executed by both parties with the same formality of this Agreement.

26. Attorneys' Fees and Costs. In the event of any litigation involving the provisions of this Agreement, both parties agree that the prevailing party in such litigation shall be entitled to recover from the non-prevailing party reasonable attorney and paraprofessional fees as well as all out-of-pocket costs and expenses incurred thereby by the prevailing party in such litigation through all appellate levels.

27. No Third Party Beneficiaries. Contractor and City agree that this Agreement and other agreements pertaining to Contractor's performance hereunder shall not create any obligation on Contractor or City's part to third parties. No person not a party to this Agreement shall be a third-party beneficiary or acquire any rights hereunder.

28. Public Entity Crimes Act. As of the full execution of this Agreement, Contractor certifies that in accordance with §287.133, Florida Statutes, it is not on the *Convicted Vendors List* maintained by the State of Florida, Department of General Services. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

30. Headings. The headings or titles to Articles of this Agreement are not part of the Agreement and shall have no effect upon the construction or interpretation of any part of this Agreement.

31. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. 33. Absence of Conflicts of Interest. 34. Binding Effect. The benefits and obligations imposed pursuant to this Agreement shall be binding and enforceable by and against the parties hereto.

35. Employment Eligibility. By entering into this Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility." This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit or County Court no later than 20

calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.

36. Severability. Should any provision of this Agreement or the applications of such provisions be rendered or declared invalid by a court action or by reason of any existing or subsequently enacted legislation, the remaining parts of provisions of this Agreement shall remain in full force and effect.

Contingency Plan of Action – UNLEADED GASOLINE & DIESEL FUEL FOR SOUTHEAST FLORIDA GOVERNMENTAL COOPERATIVE GROUP – RFP E-03-22

Dear Mr. English:

Per the terms of the RFP, the following is a brief description of our Contingency Plan of Action.

1. Port Consolidated has contracted with 4 different suppliers in Port Everglades for approximately 5 million gallons per month of diesel and 1 million gallons per month of gasoline.
2. Port Consolidated has contracted with 3 different suppliers in the Port of Tampa and Orlando for approximately 3 million gallons per month of diesel and 375K gallons per month of gasoline.
3. Port Consolidated also has active accounts in Port Everglades with 4 other suppliers.
4. Port Consolidated operates 13 different petroleum storage facilities in Florida that can hold up to 3 million gallons of product.
5. Port Consolidated has more rolling assets than any supplier in the State of Florida. We have the ability to shift those assets from one market to another depending on where the emergency needs arise.
6. Port Consolidated fills any/all petroleum storage available throughout its network prior to any named storm. This storage capacity will allow us continuous operation while the other terminals are not releasing product.
7. Port Consolidated operates 9 offices throughout the State of Florida. We have computer servers stored at a hurricane proof facility in Dade and Broward County. Our office can function from any one of our 9 offices throughout the State.
8. Port Consolidated has a fleet of mobile generators in stock to position at any of our locations that may experience a power outage.

3141 SE 14th Ave. • P.O. Box 350430

Phone: (954) 522-1182
Fax: (954) 527-1191

9. Port Consolidated operates 6 different Cardlock facilities (private fueling stations) throughout the Tri-County area. These facilities are not open to the public. They do require card activation through the CFN network.
10. Port Consolidated has the ability to pull product from all other Florida Ports should Port Everglades become incapacitated.

These 10 simple steps should allow us to function properly throughout a time of crisis.

Should you or the City of Pompano Beach Purchasing Division have any questions on this proposal, please feel free to contact me at any time.

The Co-Op shall provide the selected Proposer with information on the fuel type, the technical specifications of the fuel, the acceptable operating parameters, the estimated quantities, delivery requirements, and any other relevant information available. The selected proposer shall submit a written price offer for the supply of the alternative fuel for the Co-Op's review and approval.

However, if the selected proposer is unable to supply the alternative fuel type, or the Co-Op does not accept the selected proposer's price offer, the Co-Op shall have the right to purchase the alternative fuel elsewhere.

3. PROPOSER'S COST INCREASES AND SURCHARGES

The City may, in its sole discretion, allow for a temporary surcharge to be added to the differential proposed. If the cost of labor or diesel fuel are affected by extreme or unforeseen volatility in the cost of labor or diesel fuel that satisfy all the following criteria: 1) the volatility is due to causes wholly beyond the successful Proposer's control; 2) the volatility affects the marketplace or industry, not just the particular successful Proposer's source of supply and/or labor; 3) the effect on pricing or availability of supply is substantial; and 4) the volatility so affects the successful Proposer's continued performance of the Contract would result in substantial loss. Any temporary surcharge would require irrefutable evidence and written approval by the City's Manager or their designee.

The successful Proposer and City shall negotiate a time frame for the temporary surcharge, and reevaluate the need for said surcharge upon the end of the negotiated time frame. Should the unforeseen volatility end, and the costs to the successful Proposer are reduced and no longer result in substantial loss, the temporary surcharge must be terminated. If it is determined that the additional unforeseen costs will not abate for the remaining duration of the contract term, the parties reserve the right to negotiate an amendment to the resulting agreement and the proposed differential.

4. TAXES:

- 4.1 The agencies listed herein are counties, municipalities or subdivisions of the State of Florida and are exempt from Federal Gasoline and Diesel (excise) Road taxes and Florida Sales Tax.
- 4.2 Proposals will be considered only from Proposers who do not require the payment of these taxes.

5. SUBSTITUTE/ALTERNATE METHOD FOR PRICE ADJUSTMENT:

- 5.1 The City reserves the right, based on mutual agreement with the successful proposer, to substitute an alternate method for price adjustment for a specified, negotiated period of time if:
 - A. An interruption in the OPIS Index is experienced beyond existing scheduled holidays (Independence Day, Christmas, etc.), or

- B. The listing of prices for the OPIS Index are interrupted or modified to a degree which would require alteration of the computation formula to determine a fair price, or
 - C. The use of the OPIS Index prices becomes non-representative of the market.
 - D. Upon receipt of any invoice, bill or assessment related to such taxes or duties, Fuel Purchaser shall promptly and timely pay the same.

3. INDEMNITY. To the extent permitted by applicable law, Fuel Purchaser hereby agrees to defend, indemnify and hold harmless Musket, its parent, subsidiaries, affiliates and related companies, and the partners, officers, directors, members, employees and representatives of any of the foregoing, from and against any and all liabilities, claims, liens, damages, fines or penalties, losses, judgments, costs and expenses (including attorneys fees and court costs), of whatever kind or nature and in any manner directly or indirectly arising out of, in connection with or resulting from (i) any breach of this Agreement or the performance of its obligations under this Agreement by Fuel Purchaser, an employee of Fuel Purchaser or anyone acting under Fuel Purchaser's direction or control or on its behalf, (ii) the negligence (whether active or passive) of Fuel Purchaser, an employee of Fuel Purchaser or anyone acting under Fuel Purchaser's direction or control or on its behalf, and (iii) the willful misconduct of Fuel Purchaser, an employee of Fuel Purchaser or anyone acting under Fuel Purchaser's direction or control or on its behalf, it being understood that Fuel Purchaser's obligations hereunder shall not apply to liabilities caused by the sole or gross negligence or willful misconduct of the indemnified party. Musket may participate in any investigation or defense of any claim or action hereunder and may, at its option, notwithstanding the foregoing indemnity, elect to conduct any investigation or litigation

regarding a claim for which it is indemnified hereunder through counsel of its own choosing and expense. This indemnification shall survive the expiration or termination of this Agreement.

4. MANNER OF PAYMENT; DEFAULT IN PAYMENT. All payments hereunder shall be made by Fuel Purchaser in U.S. dollars, without discount, deduction or offset of any kind, and in accordance with the other terms of this Agreement. If at any time, in Musket's opinion, Fuel Purchaser's creditworthiness becomes impaired or otherwise unsatisfactory, Musket may require that Fuel Purchaser (i) make only cash payments for products hereunder and/or (ii) provide such security, as Musket determines necessary or desirable, for Fuel Purchaser's payment and performance under this Agreement. Upon Fuel Purchaser's failure to timely pay any amount due to Musket hereunder, such amount shall (i) accrue interest at the rate of eighteen percent (18%) per annum and (ii) be subject to a late charge equal to ten percent (10%) of the outstanding sum due. The accrual of interest on such amounts and such late charge shall not prejudice any other remedies available to Musket under this Agreement or applicable law.

5. TERMINAL ACCESS. Musket shall provide to Fuel Purchaser such keys, cards, or identification numbers (each an "Access Item"), as may be necessary, from time to time, to enable Fuel Purchaser to enter Musket's terminal or to load product at any such terminal. Access Items shall be used only by Fuel Purchaser and its authorized employees or representatives, as permitted by Musket. Fuel Purchaser shall reimburse Musket for (i) any costs incurred by Musket in replacing any Access Item and/or securing any terminal of Musket after Fuel Purchaser's loss of an Access Item and (ii) any loss, cost or expense arising from or related to Fuel Purchaser's loss of any Access Item or the unauthorized use of an Access Item provided to Fuel Purchaser. Fuel Purchaser shall not permit any Access Item to be duplicated without Musket's prior written consent and all Access Items shall be immediately returned to Musket upon termination of this Agreement.

6. DELIVERY. Unless otherwise agreed in writing by the parties, delivery of product to Fuel Purchaser shall be deemed complete when products, properly consigned, are placed free on board ("FOB") tank cars, transport trucks, tank wagons, or other vehicles. If Musket is to deliver product at Fuel Purchaser's location, Fuel Purchaser hereby authorizes any janitor, superintendent, caretaker or other purported agent of Fuel Purchaser at such location to sign receipts for deliveries on its behalf. Such signed receipts shall be binding upon Fuel Purchaser and may be relied upon by Musket. Fuel Purchaser shall provide Musket with all necessary access to such delivery location and all necessary hose connections, without delay. In the event Musket delivers product to Fuel Purchaser hereunder in carload, transport truck or tankwagon lots, such delivery shall be deemed in compliance with this Agreement if the actual volume of product delivered is within ten percent (10%) of that required hereunder for such delivery. In any event, Fuel Purchaser shall be charged only for the actual volume of product delivered.

7. ACCESSORIAL AND OTHER CHARGES.

7.1 Tank Cars. The party responsible for transloading fuel product purchased hereunder (whether conducted by such party or at its direction) shall be solely responsible for any and all destination rail carrier accessorial charges for any fuel shipment hereunder. Additionally, if Fuel Purchaser (or a third party at its direction) is responsible for transloading and fails to offload a Musket owned or leased tank car and release the same to the rail carrier within three (3) days of carrier placement or a constructive placement event, Fuel Purchaser shall be assessed a charge equal to \$25.00 per day / per car for each day a car is detained beyond such three (3) day period, with such charges to be paid to Musket on demand.

7.2 **Trucks.** Prices of fuel product under this Agreement are based on product offloading times not exceeding one (1) hour per full truckload, commencing at the time any such truck arrives at the offloading destination. In this regard, if Fuel Purchaser fails to unload any truck within such one (1) hour period, Fuel Purchaser shall be responsible for any additional expense or charges incurred by Musket as a result of such detention beyond such hour.

7.3 **Terminal and Tariff Increases.** Fuel Purchaser shall reimburse Musket for cost increases or additional charges arising from the applicable terminals, racks or increased tariffs. Fuel Purchaser shall promptly reimburse Musket or pay directly (as the case may be) any charges for which it is responsible hereunder upon receipt of an invoice or demand therefore. In no event shall Fuel Purchaser be entitled to deduct or offset any amounts due Musket hereunder.

8. **RATABLE LIFTING.** If the term of this Agreement extends beyond one (1) calendar month, the following shall apply:

Lifting; Volume Tolerance: Fuel Purchaser shall lift ninety percent (90%) percent (but in no event more than one-hundred and ten percent (110%)), of the aggregate total monthly contract volumes ("MCV") of fuel purchased under this Agreement by the end of each calendar month, on a ratable basis (i.e. with the monthly volume being lifted in approximately equal amounts each day of a calendar month, as practical). Should Fuel Purchaser not lift at least ninety percent (90%) of the aggregate total MCV for any calendar month, Fuel Purchase shall be charged the price described herein for each gallon of fuel below ninety percent (90%) of the MCV. Upon the expiration this Agreement, if Fuel Purchaser has not lifted ninety percent (90%) of the aggregate total quantity of fuel under this Agreement, Fuel Purchaser shall remain responsible for all unlifted gallons and will charged the price stated herein for each such gallon.

9. **CAPACITY - ABILITY TO PERFORM.** If Musket determines, in its sole discretion, that its ability to perform under this Agreement is significantly impaired or impractical, as to one or more products, for any reason whatsoever, upon written notice to Fuel Purchaser, Musket shall be relieved of any and all obligations hereunder (as to such product or products). In such event, Musket shall not be liable for any claims, damages or liabilities resulting from or in any way related to a delay in delivery, or non-delivery, of product to Fuel Purchaser. Nothing in this Section 10 shall be construed to extend the Term of this Agreement or to relieve Fuel Purchaser of its obligation to (i) pay for product actually delivered or (ii) otherwise perform under this Agreement.

10. **FORCE MAJEURE.** Either party's failure to perform any term or condition of this Agreement as a result of conditions beyond such non-performing party's reasonable control, including, but not limited to, Acts of God, natural disaster or severe weather conditions, war, strikes, riots, picketing or other labor troubles or disputes, malicious mischief, civil commotion, the inability to procure materials, shortages, government restrictions, performance failures of third parties upon which the non-performing party relies in its performance hereunder, and the total or partial failure of transportation facilities customarily available to such non-performing party shall not be deemed a breach of this Agreement.

11. **LIMITED WARRANTY AND LIMITATION OF DAMAGES.** BEYOND THE BASIC DESCRIPTION OF THE PRODUCT BEING SOLD TO FUEL PURCHASER UNDER THIS AGREEMENT, MUSKET MAKES NO WARRANTIES OR REPRESENTATIONS, EITHER EXPRESS OR IMPLIED, AS TO THE QUALITY, CONDITION, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT BY OR ANY OTHER MATTER RELATING TO THE PRODUCT. FUEL PURCHASER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THIS LIMITED WARRANTY SHALL BE REPLACEMENT OF THE NONCONFORMING PRODUCT. IN ANY EVENT, MUSKET

SHALL NOT HAVE ANY RESPONSIBILITY TO FUEL PURCHASER FOR INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES OF ANY NATURE, INCLUDING BUT NOT LIMITED TO, LOSS OF BUSINESS OR ANTICIPATED PROFITS, OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE SALE, PURCHASE, USE, PERFORMANCE OR NONCONFORMANCE OF PRODUCT HEREUNDER. TO THE EXTENT PERMITTED BY LAW, THIS DISCLAIMER OF LIABILITY WILL NOT BE AFFECTED OR IMPAIRED IF THE REMEDY PROVIDED HEREUNDER SHALL FAIL OF ITS ESSENTIAL PURPOSE.

12. CLAIMS; REQUIRED NOTICE. Fuel Purchaser must notify Musket in writing of any claim for breach of the limited warranty provided in this Agreement within two (2) business days after delivery of the product at issue, it being agreed that Fuel Purchaser's failure to provide timely written notice shall constitute Fuel Purchaser's waiver of any such claim. Fuel Purchaser shall allow Musket reasonable opportunity to inspect the product at issue; provided that, if delivery of product is made in equipment furnished by Musket, notice of any claim and the reasonable opportunity to inspect shall be given prior to such product being unloaded. Fuel Purchaser shall immediately notify Musket in writing if any equipment used to deliver product is leaking or is otherwise not in good condition and repair.

13. FUEL PURCHASER'S INSURANCE. If Fuel Purchaser, its agents, employees or contractors, will at any time during the Term of this Agreement pick up product purchased hereunder at any terminal, transload site, or other premises owned, leased or operated by Musket, Fuel Purchaser shall procure and maintain in full force and effect during the Term, the following policies of insurance:

Commercial General Liability Insurance (including blanket contractual liability), insuring Fuel Purchaser against any liability for injury or death to a person or persons, and for damage to or destruction of property occasioned by or arising out of or in connection with Fuel Purchaser's performance under this Agreement, with a combined single limit of not less than \$5,000,000.00 per occurrence and in the aggregate.

Workers' Compensation Insurance for each of Fuel Purchaser's employees performing under this Agreement, with coverage in accordance with applicable statutory requirements and

Employer's Liability Insurance with limits of not less than \$1,000,000.00 per accident or illness.

Business Auto Liability Insurance covering all owned, non-owned and hired vehicles used in connection with Fuel Purchaser's performance under this Agreement, with a combined single limit of not less than \$1,000,000.00 per occurrence and Supplemental Environmental

Automobile Liability ("SEAL") Insurance covering losses resulting from claims for bodily injury, property damage or clean-up costs caused by a pollution release from transported cargo, regardless of the location of such occurrence.

Each policy required hereunder (i) shall be carried with a reputable insurance carrier licensed to do business in the states in which the terminals, transload sites or other premises at which product is being picked-up by Fuel Purchaser are located, (ii) shall include waiver of subrogation in favor of Musket, (iii) shall apply as primary insurance without contribution from any other insurance or self-insurance programs afforded to or maintained by Fuel Purchaser (and shall not require the exhaustion of coverage), and (iv) shall be endorsed to state that coverage shall not be suspended, voided, canceled or reduced in limits except after thirty (30) days prior written notice to Musket. All general liability or property damage insurance shall name Musket as an additional insured, with proceeds payable first to Musket to the extent of liability, if any, and the balance to

Fuel Purchaser. The proceeds of fire, theft or other casualty insurance shall be payable to Musket, as loss payee, with respect to the loss suffered thereby. Fuel Purchaser shall furnish Musket with certificates of insurance and original endorsements affecting coverage required by this Section 13 prior to performing hereunder and, from time to time, as applicable, certificates evidencing renewal of such policies no less than thirty (30) days prior to the expiration thereof. Musket shall have no duty to examine any certificate or other evidence of insurance or to advise Fuel Purchaser in the event that any insurance is not in compliance with this Section 13. That notwithstanding, should Fuel Purchaser fail to obtain any insurance policy required to be obtained hereunder, or furnish proof thereof, Musket may (but shall have no obligation to) obtain such insurance, at Fuel Purchaser's expense and Fuel Purchaser shall reimburse Musket for the same on demand. All such sums not paid to Musket within ten (10) days of demand therefore shall accrue interest at the rate of eighteen percent (18%) per annum until paid in full, it being understood that accrual of interest on such amounts shall not prejudice any other remedies which may be available to Musket. Self-insured retentions, if any, shall not exceed Five Thousand Dollars (\$5,000.00), unless a larger amount is approved by Musket, in its sole discretion. That notwithstanding, in all instances of self-insured retention in excess of Five Thousand Dollars (\$5,000.00), Fuel Purchaser shall furnish to Musket a certificate of excess liability coverage. Insurance coverage required under this Agreement shall be additional security for the obligations assumed by Fuel Purchaser hereunder and in no event shall the types of insurance or limits of coverage required hereunder be deemed to limit any obligation or liability assumed under this Agreement.

14. NOTICE. All notices or other communication herein required or permitted shall be in writing and given by personal delivery or sent by (i) registered or certified mail, return receipt requested, postage prepaid, (ii) facsimile or (iii) nationally recognized overnight courier service, addressed to the respective party as set forth on the first page of the Agreement (unless written notice of change thereof is provided). Notice shall be deemed given on the earlier of (i) actual receipt, (ii) three (3) business days after deposit in the U.S. Mail, (iii) the date of facsimile delivery/receipt confirmation, or (iv) the first business day after deposit with an overnight courier. Any notice or communication not received because of change of address, without notice to the other party thereof, or refusal to accept delivery, shall be deemed received on the date of attempted personal delivery or on the date, as indicated above, for other permitted methods of delivery.

15. MISCELLANEOUS. This Agreement and the legal relations between the parties shall be governed by the laws of the State of Texas without giving effect to any conflict of law provision (whether of the State of Texas or any other jurisdiction) that would cause the application of the law of any other jurisdiction. No waiver by Musket of any breach or default of any provision of this Agreement shall waive any subsequent breach or default of the same or any other provision. Fuel Purchaser may assign its rights under this Agreement only upon the prior written approval of Musket and, notwithstanding any such assignment, Fuel Purchaser shall not be released from its obligations hereunder, absent Musket's written agreement to the contrary. This Agreement may be executed in one or more counterparts, and by facsimile, all of which counterparts shall be considered one and the same agreement. In any action to enforce or defend this Agreement, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs associated therewith.

Product Sales Contract (Reseller)

This contract is dated **August 26, 2021**, and is between **Chevron Products Company**, a division of Chevron U.S.A. Inc. ("Seller"), and **PORT CONSOLIDATED INC** ("Buyer").

Seller and Buyer agree as follows.

1. **TERM.** The term of this contract shall commence on **September 01, 2021**, and shall end on **August 31, 2022**, unless sooner terminated by either party in accordance with the provisions of this contract.
2. **PRODUCTS AND QUANTITIES.** Seller agrees to sell to Buyer, and Buyer agrees to purchase from Seller those grades of fuel specified in Exhibit A of this contract. Buyer agrees to purchase from Seller during each calendar month not less than the minimum quantities of products specified in Exhibit A. Seller shall not be obligated to sell to Buyer in any calendar month quantities of products in excess of the maximum quantities specified in Exhibit A, but Seller may elect to do so at its option after request by Buyer. Such minimum and maximum quantities shall be prorated for any period less than a calendar month included within the term of this contract. Buyer shall not represent or authorize or permit any other person to represent that the products purchased under this contract are the products of Seller or use or authorize or permit any other person to use any of the trademarks, service marks, trade names, color schemes or service station designs utilized by Seller or any other identification, designation or marking of any kind that would identify such products with Seller. It is understood and agreed that the products purchased under this contract shall be resold by Buyer under Buyer's brands and trade names, and Seller hereby gives its consent to the rebranding of such products. If Buyer breaches any of the provisions of this section 2, such breach shall, at Seller's option, be deemed a breach of this entire Agreement and, in addition to such other remedies as it may have, Seller shall have the right to terminate this Agreement forthwith.
3. **PRODUCT QUALITY.** The products sold under this contract shall be of the quality as is generally offered by Seller for similar use at the relevant delivery location. To facilitate the investigation of any claim or concern regarding the quality of the products delivered under this contract, Buyer shall keep complete and accurate records of Buyer's purchase, transportation, receipt, inventory, transfer, use, sale, or delivery of all products purchased by Buyer in bulk from Seller and any other supplier. Seller's representatives shall be permitted to inspect and audit such records at any time during Buyer's business hours on reasonable notice to Buyer for up to one year after the termination of this contract. Seller's representatives shall also have the right at any time to enter upon the premises where the products purchased under this contract are stored by or for Buyer and to take samples of such products for testing purposes, compensating Buyer (at Buyer's cost, which for this purpose shall be based on Seller's price to Buyer in effect at the time such samples are taken, or, at Seller's option, in kind) for any products so taken.
4. **PRICE.** The prices that Buyer shall pay Seller for products purchased under this contract shall be determined as set forth in Exhibit A (except as otherwise provided in section 22 with respect to any Discretionary Sales (as defined below)).
5. **PAYMENT AND FINANCIAL RESPONSIBILITY.** Buyer's payments for products shall be in U.S. dollars without discount by electronic transfer of immediately available funds to an account, bank and location designated by Seller.

Buyer shall, except at Seller's option, pay Seller cash before delivery for products purchased hereunder.

Buyer acknowledges the importance of payment within the terms specified when credit is extended and agrees that past due amounts shall bear interest at the rate of 18% per year or the maximum rate permitted by the state of Buyer's address for notices as specified in Exhibit A of this contract, whichever is less. If Buyer fails to make payment within the specified terms, such failure shall, at Seller's option, be deemed a breach of this entire contract and, in addition to such other remedies as it may have, Seller shall have thereafter the right to demand advance cash payment, to withhold deliveries until such advance payment (including payment of all amounts then outstanding for products delivered by Seller to Buyer hereunder) is received, or to terminate this contract. The acceptance of any payment by Seller after the due date shall not waive any of Seller's rights hereunder nor shall such withholding of deliveries or termination of this contract affect any obligation of Buyer hereunder. If credit is extended to Buyer by Seller, the buyer shall periodically provide to (Chevron) that financial information or security deemed

necessary by (Chevron) to support any credit extension. If during the life of this contract, the financial capacity of the buyer becomes impaired or unsatisfactory to (Chevron) in the sole judgment of (Chevron), advance cash payment or security satisfactory to (Chevron) shall be given by the buyer on demand by (Chevron) and shipments/deliveries may be withheld until such payment or security is received.

Seller's terms of payment are subject to change without notice at the discretion of Seller.

6. **TAXES.** Any tax, duty, toll, fee, impost, charge, exaction, or other obligation, or the amount equivalent thereto, and any increase thereof now or hereafter imposed, levied, assessed, or required by any governmental authority upon, measured by, incident or related to or as a result of the transactions herein provided for (other than local, state and Federal net income taxes measured by the net income of Seller from all sources), or the transportation, importation, production, manufacture, use or ownership of the goods covered by this contract, shall, if collectible, payable, accountable, managed, or administered by Seller, be paid by Buyer on demand by Seller. Any such payments shall be in addition to the prices otherwise provided for in this contract. Buyer shall, at Seller's request, execute and deliver to Seller such certificates or other documents as Seller may reasonably require in order to enable Seller to secure any tax exemption which may be available in connection with sales or deliveries hereunder.
7. **DELIVERIES.** Diesel fuel deliveries shall be made by Seller to Buyer at the locations specified in Exhibit A. Title and risk of loss shall pass to Buyer at the point of delivery into Buyer's trucks, railcars, storage facilities, or other receiving unit. If deliveries are to be made into vehicles supplied by Buyer, Seller shall not be required to make such deliveries into such vehicles unless they are clean and empty immediately prior to delivery and shall not be required to load or deliver quantities less than the full capacity of the vehicle, except as otherwise authorized by Seller. If deliveries are to be made into Buyer's storage facilities, Buyer shall provide storage facilities sufficient to enable it to receive such deliveries and shall provide Seller with unimpeded access to make deliveries 24 hours per day. Buyer is responsible for ensuring that any vehicles and facilities used to receive deliveries are in safe condition, that vehicles are in compliance with all applicable terminal procedures, policies, rules or requirements in effect at the time of delivery, and that Buyer's storage facilities can be accessed safely. Seller shall not be obligated to make any delivery to Buyer that cannot be made safely in Seller's sole judgment. Buyer shall comply with such reasonable policies, procedures, rules and requirements as Seller may establish regarding deliveries by Seller into Buyer's vehicles or storage facilities. Orders for deliveries shall be placed by Buyer with such advance notice and in such manner as Seller may designate.
8. **CONFLICTS OF INTEREST.** Neither Buyer nor any director, employee or agent of Buyer shall (1) give to or receive from any director, employee or agent of Seller or its affiliates any commission, fee, or rebate, or any gift or entertainment of significant cost or value in connection with this contract, or (2) enter into any business arrangement with any director, employee or agent of Seller or its affiliates (other than as a representative of Seller or its affiliates) without prior written notice to Seller. Buyer shall promptly notify Seller of any violation of this section 8 and any consideration received as a result of such violation shall be paid over or credited to Seller. Any representative authorized by Seller may audit any and all records of Buyer for the sole purpose of determining whether there has been compliance with this section 8 for up to 24 months after the termination of this contract.
9. **PREVENTION OF PERFORMANCE; SHORTAGE OF SUPPLY.** There shall be no obligation to sell or deliver, or to purchase or receive, products under this contract when, and to the extent that, such actions are prevented or hindered by act of God, fire, riot, labor disturbances (whether involving employees of the party affected or of others and regardless of whether the disturbance could be settled by acceding to the demands of a labor group), accident, war, the acts of any government (at any level, foreign or domestic) or any causes beyond the reasonable control of the party affected, whether or not similar to any of the foregoing causes. Due to an interruption, loss or shortage of necessary facilities or supplies, or uncertainties in the supply/demand situation (which may include a decision by Seller that the costs of some products which might be available are unreasonable), Seller may not have sufficient supplies of one or more of the products covered by this contract to meet the full requirements of Buyer, of Seller's other customers, and of Seller for its own use. If there is a shortage of products deliverable under this contract, Seller may allocate deliveries of available products among Buyer, Seller's other customers (contract or otherwise, including Seller's affiliates) and Seller for its own use, on any basis which in Seller's sole judgment is fair and reasonable, allowing for such priorities as Seller deems appropriate. Allocation is fair and reasonable even if it is based on a shortage in the then-contemplated sources of supply or a general shortage in the supply system of Seller or its affiliates or on historical or planned deliveries.
10. **OIL SPILLS.** If a product spill occurs anywhere in connection with Buyer's performance of this contract, Buyer shall promptly notify Seller and the appropriate governmental authorities and shall take immediate action to clean up the spill and prevent further damage. Upon receipt of such notification, Seller shall have the right, at its election, to provide, or cause to be provided to Buyer such additional manpower, equipment and material as in Seller's sole discretion are deemed reasonable to complete the clean-up in a satisfactory manner. Buyer shall pay and be responsible for, and Buyer's indemnity obligations under this contract shall include all costs and expenses incurred in connection with the clean-up operations, including reimbursement to Seller for all of its costs and expenses, and all fines, charges, fees or judgments imposed or levied by any Federal, state or local governmental agency as a result of such spill, except in the event the spill resulted solely from any act or omission on the part of Seller or Seller's employees.
11. **INDEMNITY.** Buyer shall indemnify, defend and hold harmless Seller and its affiliates, and their respective directors, employees and agents, from and against any and all expenses (including attorneys' fees), liabilities and claims of whatsoever kind and nature including those for damage to property (including property of Buyer), or for injury to or death of any person (including Buyer),

directly or indirectly arising or alleged to arise out of or in any way connected with the acquisition, storage, handling, or use of any products purchased under this contract, or with the maintenance, upkeep, repair, replacement or operation of any premises used by Buyer in connection with this contract or anything located thereon, including any act or omission of Buyer or Buyer's agents or employees in the performance of this contract, or in the operation of any vehicle in connection with Buyer's business. The foregoing indemnity shall not apply to the extent and only to the extent such expense, liability or claims result from Seller's sole negligence or willful misconduct.

12. **DEFINITIONS AND USAGES.** In this contract, unless otherwise stated or the context otherwise requires, the following definitions and usages apply:
 - "Seller and its affiliates" means Seller, its divisional parent company Chevron U.S.A. Inc., and the subsidiary and affiliated companies of each of them.
 - "U.S." refers to the United States of America, and all prices are expressed in U.S. currency and all units of measure are in U.S. units.
 - "Includes" means "includes, but is not limited to," and "including" means "including but not limited to."
 - Actions permitted under this contract may be taken at any time and from time to time in the actor's discretion.
 - "A or B" means "A or B or both."
13. **APPLICABLE LAW AND DISPUTE RESOLUTION.** This contract shall be governed, construed, interpreted, enforced and the relations between the parties determined in accordance with the laws of the state of California, without regard to its choice of law rules. In the event a dispute arises with respect to the interpretation or performance of, or the relationship created by, this contract, the parties shall attempt in good faith to resolve the dispute. If such efforts prove unsuccessful, each party agrees to consider the use of mediation, mini-trial, arbitration or other alternative dispute resolution techniques prior to resorting to litigation. If mediation, mini-trial, arbitration or other alternative dispute resolution techniques are utilized by the parties, each party agrees that no award or decision resulting therefrom shall include punitive damages. If the parties are unsuccessful in their good faith attempt to otherwise resolve a dispute, the parties hereby irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the courts of either (1) Contra Costa County in the State of California, or (2) the federal courts of the Northern District of California, for any actions, suits or proceedings arising out of or relating to this contract (and the parties each agree not to commence any action, suit or proceeding relating thereto except in such courts).
14. **PRIOR AGREEMENTS; WAIVER; MODIFICATIONS.** This contract constitutes the entire agreement of the parties with respect to its subject matter and terminates and supersedes any prior agreement, understanding, representation, or proposal relating to the sale by Seller of products to Buyer at the delivery locations specified in Exhibit A or ancillary Discretionary Sales contemplated by section 22. Waiver by Seller or Buyer of one or more breaches of this contract shall not be deemed to be a waiver of any other or continuing breach. No modification of this contract, and no waiver of any of its provisions, shall be binding on Seller or Buyer unless in writing and signed by Seller and Buyer.
15. **SEVERABILITY.** If any provision of this contract shall be adjudged invalid or unenforceable by a court of competent jurisdiction or by operation of any applicable law, such provision shall be deemed omitted and the remaining provisions shall remain in full force and effect.
16. **MSDS.** Buyer acknowledges receipt of Material Safety Data Sheets (MSDS) for all products covered by this contract.
17. **DAMAGES.** In no event shall Seller be liable for any special, indirect or consequential damages of any kind including loss of profits, loss of use or claims of Buyer's customers due to loss of service whether the damages are based in contract or tort (including negligence or strict liability) or otherwise. Buyer's exclusive remedy for any and all losses or damages resulting from the purchase of products under this contract, including, but not limited to, any allegation of breach of warranty, breach of contract, negligence or strict liability, shall be limited, at Buyer's option, to either the return of the purchase price or the replacement of the fuel for which a claim is proved.
18. **ASSIGNMENT AND DELEGATION.** This contract is personal to Buyer and Buyer shall not, subject to any valid requirements of any applicable statute, assign any rights or delegate any duties that Buyer may have under this contract, either voluntarily, involuntarily or by operation of law, or otherwise, without the prior written consent of Seller. If Buyer is a corporation, any sale, conveyance, alienation, transfer or other change of interest in or title to or beneficial ownership of 50 percent or more of the voting stock (or securities convertible into 50 percent or more of the voting stock) of Buyer, either voluntarily, involuntarily, by operation of law, merger or other corporate proceedings, or otherwise, shall be construed as an assignment of Buyer's rights under this contract. Seller may assign any of its rights or delegate any of its duties under this contract without Buyer's consent.
19. **NOTICES.** Notices to be given under this contract shall be in writing and delivered by mail, in person, or by facsimile to the other party at the appropriate address specified in Exhibit A, or at such other address as either party may designate by written notice to the other. Notices shall be effective at time of receipt.

20. **TERMINATION.** Seller and Buyer shall have the right to terminate this contract at any time without cause upon giving the other party at least 30 days' prior written notice of termination. Termination of this contract shall not relieve the parties of responsibility for obligations incurred prior to termination. If Seller continues to accept orders from Buyer for the products covered by this contract following expiration of the term of this contract, such sales shall be upon all of the terms and conditions of this contract; provided that such sales shall not be construed to evidence a renewal of this contract by operation of law or otherwise.
21. **WARRANTY.** Seller warrants that it has title to the products sold under this contract. EXCEPT AS OTHERWISE PROVIDED IN THE FOREGOING SENTENCE AND IN THE FIRST SENTENCE OF SECTION 3 OF THIS CONTRACT, BUYER ACKNOWLEDGES AND HEREBY ACCEPTS THAT SELLER EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING WITHOUT LIMITATION, ANY AND ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTIES ARISING FROM ANY COURSE OF DEALING OR USAGE OF TRADE.
22. **DISCRETIONARY SALES.** Seller and Buyer may (but are not obligated to) engage in sale transactions for products or delivery locations not specified in Exhibit A ("Discretionary Sales"). Unless otherwise agreed to in writing by Seller and Buyer, any Discretionary Sales shall be deemed made "under this contract" and on its terms except that the specific products, prices, quantities, and delivery locations for Discretionary Sales shall be as mutually agreed upon by Seller and Buyer for each such transaction. The quantities of products sold in Discretionary Sales shall not count against the minimum or maximum volumes specified in Exhibit A.

Alternate Proposal – UNLEADED GASOLINE & DIESEL FUEL FOR SOUTHEAST FLORIDA GOVERNMENTAL
COOPERATIVE GROUP – RFP E-03-22

Dear Mr. English:

Please be advised. For those municipalities that wish to haul their own product, Port will deduct \$0.01 per gallon from the standard delivered transport offering.

Port Consolidated also has the ability to arrange for "Fixed Price" fuel contracts. These programs will allow municipalities to budget their fuel costs without having to combat day to day market volatility.

Please see the attached "Fixed Price" Supply Agreement. Pricing or quotes for such programs change by the minute. We would prefer to quote accordingly if and when the need arises.

Should you or the City of Pompano Beach Purchasing Division have any questions on this proposal, please feel free to contact me at any time.

Sincerely,
