

CITY OF DORAL COUNCIL MEETING MEMORANDUM MAYOR AND COUNCIL

ITEM TITLE:

Legislative Priorities Workshop

BRIEF HISTORY:

Attached is the City of Doral 2026 Legislative Priorities document, which has been developed based on past legislation supported by the City of Doral, the City's continued growth, infrastructure, and community needs, and our historic areas of advocacy and legislative focus.

These priorities were prepared in coordination with City Administration and the City's lobbying team, and will serve as the foundation for the City's advocacy efforts during the upcoming State Legislative Session.

Councilmembers are encouraged to bring forward any additional ideas or recommendations for discussion during the Legislative Priorities Workshop to ensure a comprehensive and representative policy agenda.

Following the workshop discussion, the next steps will include the adoption of a formal resolution approving the City of Doral's 2026 Legislative Priorities at the November 12, 2025 Council Meeting, and the transmittal of the adopted resolution and legislative priorities to the Governor's Office, Florida Senate, Florida House of Representatives, and the Miami-Dade County Legislative Delegation, as well as to the City's lobbying partners for coordinated advocacy.
