BRIEF HISTORY:

On June 14, 2022, the existing contract for “Milling, Resurfacing and Miscellaneous Stormwater and Roadway Improvement” (ITB-2019-12) expired. Consequently, the PWD decided not to renew its option of two (2) one (1) year periods in the best interest of the City and its constituents. As a result, the PWD proceeded to fragment the all-encompassing scope of work of the previous contract to its new format of three (3) “scope specific” areas of construction.

On April 21, 2022, Request for Qualifications (RFQ) No. 2022-13 “Milling, Resurfacing, and Striping Construction Services” was issued and advertised. A recommendation was made by the committee to award the top four (4) ranked firms, Weekley Asphalt Paving, Inc., H&R Paving, Inc., H&J Asphalt, Inc., and General Asphalt, establishing a Pool of Construction Firms for “Milling, Resurfacing, and Striping Construction Services”. The Continuing Service Agreements were approved by the Mayor and the City Councilmembers via Resolution No. 22-144 (approved 5-0), for an initial period of three (3) years with an option of two (2) one (1) year renewals.

The PWD requested a proposal from the “Pre-Qualified Pool of Contractors” and Weekley Asphalt Paving, Inc. provided the lowest bid proposal for services which includes Milling, Resurfacing, and Striping along NW 13th Terrace between 89th Court and 87th Avenue. The

PWD staff and H&J Asphalt, Inc. negotiated the attached proposal at a not to exceed amount of \$196,602.45 which includes a 10% contingency for any unforeseen conditions.
