### **BRIEF HISTORY:**

On June 14, 2022, the existing contract for "Milling, Resurfacing and Miscellaneous Stormwater and Roadway Improvement" (ITB-2019-12) expired. Consequently, the Public Works Department (PWD) decided not to renew its option of two (2) one (1) year periods in the best interest of the City and its constituents. As a result, the PWD proceeded to fragment the all-encompassing scope of work of the previous contract to its new format of three (3) "scope specific" areas of construction.

On April 21, 2022, Request for Qualifications (RFQ) No. 2022-13 "Milling, Resurfacing, and Striping Construction Services" was issued and advertised. A recommendation was made by the committee to award the top four (4) ranked firms, Weekley Asphalt Paving, Inc., H&R Paving, Inc., H&J Asphalt, Inc., and General Asphalt, establishing a Pool of Construction Firms for "Milling, Resurfacing, and Striping Construction Services". The Continuing Service Agreements were approved by the Mayor and the City Councilmembers via Resolution No. 22-144 (approved 5-0), for an initial period of three (3) years with an option of two (2) one (1) year renewals.

The PWD requested a proposal from the “Pre-Qualified Pool of Contractors”, and H&R Paving, Inc. provided the lowest bid proposal for services which includes Milling, Resurfacing, and Striping along NW 33<sup>rd</sup> Street between 107<sup>th</sup> Avenue and 112<sup>th</sup> Avenue. The PWD staff and H&R Paving, Inc. negotiated the attached proposal in a not to exceed amount of \$247,503.91, which includes a 10% contingency for any unforeseen conditions.
