BRIEF HISTORY:

The City of Doral plays a vital role in offering quality sports programming and events that promote active lifestyles, social engagement, inclusion, and well-being for residents of all ages. Current structured programming includes popular sports such as tennis, soccer, and pickleball, which serve a broad range of community needs.

Volleyball has become an increasingly popular sport in Doral, with many residents participating recreationally and competitively through school teams and local clubs. The City has already witnessed outstanding local talent, including the Ronald Reagan High School Girls Volleyball Team, which was formally recognized by the City for its dedication, sportsmanship, and athletic excellence.

Expanding volleyball programming would provide greater access for youth and residents to develop their skills, encourage healthy competition, and foster community pride.
