Subject: **Work Order No. 34 for Milling, Resurfacing, and Striping Construction Services along NW 15th Street between NW 79th Avenue and NW 78th Avenue to Weekley Asphalt Paving, Inc.**

Introduction

This memorandum provides the Public Works Department's (PWD) recommendation for the Mayor and the City Councilmembers to authorize the City Manager to execute Work Order No. 34 to Weekley Asphalt Paving, Inc. for Milling, Resurfacing, and Striping along NW 15th Street between NW 79th Avenue and NW 78th Avenue.

Background

On June 14, 2022, the existing contract for "Milling, Resurfacing and Miscellaneous Stormwater and Roadway Improvement" (ITB-2019-12) expired. Consequently, the PWD decided not to renew its option of two (2) one (1) year periods in the best interest of the City and its constituents. As a result, the PWD proceeded to fragment the all-encompassing scope of work of the previous contract to its new format of three (3) "scope specific" areas of construction.

On April 21, 2022, Request for Qualifications (RFQ) No. 2022-13 "Milling, Resurfacing, and Striping Construction Services" was issued and advertised. A recommendation was made by the committee to award the top four (4) ranked firms, Weekley Asphalt Paving, Inc., H&R Paving, Inc., H&J Asphalt, Inc., and General Asphalt, establishing a Pool of Construction Firms for "Milling, Resurfacing, and Striping Construction Services". The Continuing Service Agreements were

approved by the Mayor and the City Councilmembers via Resolution No. 22-144 (approved 5-0), for an initial period of three (3) years with an option of two (2) one (1) year renewals.

The PWD requested a proposal from the “Pre-Qualified Pool of Contractors” and Weekley Asphalt Paving, Inc. provided the lowest bid proposal for services which includes Milling, Resurfacing, and Striping along NW 15th Street between NW 79th Avenue and NW 78th Avenue. The PWD staff and Weekley Asphalt Paving, Inc. negotiated the attached proposal at a not to exceed amount of \$94,771.55 which includes a 10% contingency for any unforeseen conditions.

Please see below proposal amount from each vendor.

Weekley Asphalt Paving, Inc.	94,771.55
H&J Asphalt, Inc.	114,530.90
H&R Paving, Inc.	136,786.10
General Asphalt, Inc.	No Bid

Procurement

The contract between Weekley Asphalt Paving, Inc. and the City of Doral was procured through the publicly advertised Request for Qualification (RFQ) 2022-13 process to select a pool of pre-qualified Construction Services firms for “Milling, Resurfacing, and Striping Construction Services” projects. This group of four (4) firms was approved by the City Council during the August 2022 Council meeting via Resolution No. 22-144 (approved 5-0).

Weekley Asphalt Paving, Inc. provided the attached proposal with a not to exceed amount of \$94,771.55 which includes a 10% contingency for any unforeseen conditions. Attached is the proposal from Weekley Asphalt Paving, Inc. and Work Order No. 34 for the Construction Services described.
