DEPARTMENT RECOMMENDATION:

Approval

BRIEF HISTORY:

Introduction

The City of Doral Police Department (DPD) has been awarded \$750,000 from the FY 26-27 State Financial Assistance Member Project Appropriations through the Florida Department of Law Enforcement (Doral Police Department Presidential/Dignitary Protective Detail Overtime Funding Initiative) . The goal of this project is to secure overtime funding for expenses incurred by the Doral Police Department during President of the United States (POTUS) and dignitary-related events within the City of Doral and surrounding the resort area. The funding allows the Department to recover costs associated with providing security support to federal agencies during elevated national-security operations.

Background

The Doral Police Department (DPD) Presidential/Dignitary Protective Detail Overtime Funding Initiative is a project intended to secure overtime funding for expenses incurred by the DPD during protective dignitary events within the City of Doral which may include the President of the United States (POTUS) and other protectees. This funding will enable the DPD to recover costs associated with providing security support to a variety of federal agencies with regards to POTUS and dignitary details, while supporting our national security efforts.

The funds requested will mitigate the financial impact the City of Doral will incur as a result of POTUS/dignitary details as a result of elevated security levels involving foreign entities, domestic security concerns, and potential threats. Funding will help provide police presence, enhanced public safety, and support to the US Secret Service and other federal agencies, as needed.

The goal of this project is to secure overtime funding for expenses incurred by the Doral Police Department during POTUS/dignitary related protective events when the President of the United States (POTUS) or protectee visits the City of Doral and the Trump National Doral Resort. This funding will enable the Department to recover costs associated with providing security support to federal agencies with regards to POTUS/dignitary related details while supporting national security efforts.

The Trump National Doral Resort is a focal point within the City of Doral and will host the upcoming 2026 G20 Summit. The venue welcomes United States and international federally sponsored dignitary events and draws significant global attention and crowds of protesters and supporters alike. These funds will allow the City of Doral to support POTUS/dignitary details, as needed, within Doral and surrounding the resort area.

POTUS/dignitary detail overtime funding will provide the community with enhanced public safety measures during POTUS/dignitary visits, ensuring a secure environment for residents, business owners, and visitors. Following multiple recent national security incidents, it is essential that this funding assist in providing the required national security support during POTUS/dignitary related events within the City of Doral.

The target population are the residents, visitors, and business owners within the City of Doral, Florida. The proposed project will support enhanced security measures for approximately 200,000 individuals within the City of Doral, including residents, visitors, business owners, and employees, ensuring a safer and more secure environment for all.

The intended benefit of this project is to provide overtime funding for police to enhance public safety by increasing police presence and optimizing security measures during POTUS/dignitary related protective events when the President of the United States or other protectees visit the City of Doral. Following multiple recent national security incidents, it is essential that this funding assists in providing the required national security support during related details and visits.

The funds will be allocated in the following accounts: Revenue Account No. (001.6000.334202)-State Grant and Expense Account No. (001.60005.500140)-Overtime.
