	Hello Officer, I hope you are having a good day. This is a media request. Please answer the following questions: 1.Are your police officers/ sheriff's deputies equipped with body-worn cameras? 2. On which date did they first start using bodycams? 3. Does your department release bodycam footage (for the sake of an example, let's say for a shoplifting case with a resisting charge) to state citizens or the media in response to a FOIA records request? If no, under which statute? I want to receive all records electronically. Thank you very much for your help. Regards, Deep		Police	Completed	5/5/2025

	<p>FW: 2470 NW 102nd Place #203, Doral FL 33173 - Assistance with Zoning Approval Process for Buyer's Business Use</p> <p>I am reaching out to see if when you are available to coordinate an in-person meeting. The purpose of this meeting is, we are currently under contract for the above reference office condo in Doral and the buyer, Academic Behavioral & Cognitive Testing Services (Home CDE Experts - ABC Testing Services Miami, Florida Online), has been asked to provide certain documents, which are listed below. I recently met with the zoning department to see how we can assist the buyer. Based on this meeting, I was advised to consult with the building department, as they would need to approve the business use, given that the property is currently zoned as industrial. While I pointed out that the building currently houses a diverse range of businesses—including two worship centers, a dance school, a real estate office, and a warehouse/wholesaler—the building official still recommended that a study be conducted and supporting documents be provided since the net SQFT would change based on the use.</p> <p>The documents requested by zoning include:</p> <ul style="list-style-type: none">• Business/property address• Intended use at this location• Off-street parking calculations• List of all businesses located at the provided address• Uses for those businesses• Square footage of each business• Hours of operation for each business• Total number of parking spaces at the location <p>While we understand The City of Doral has implemented this process, this is really hindering us from being able to sell/rent the unit.
