		Dear Records Custodian: Pursuant to Florida’s Public Records Law (Chapter 119, Florida Statutes)—or the appropriate jurisdictional equivalent—I hereby request the following records in connection with the arrest of Gervonta “Tank” Davis, which occurred on July 11, 2025 in Miami Beach, Florida: All body-worn camera footage (bodycam) recorded by officers during the arrest and investigation of Gervonta Davis on that date, including footage from arrival, arrest, transport, and booking. The arrest photograph (booking or mugshot) of Gervonta Davis taken in conjunction with this arrest. Reasonable Scope and Processing If portions of these records are exempt from disclosure (e.g., by Florida Statutes Chapter 119 or other applicable law), please redact only such exempt portions and release the remainder. If certain footage or photographs fall under an exemption, I request that you provide specific legal citations and justifications for any redactions or withholding. If no fees are to be incurred for processing this request, please advise. Otherwise, kindly inform me of any estimated copying or processing costs before you proceed. I request a waiver of fees, as release of the requested materials would contribute significantly to public understanding of law enforcement's actions. I expect a response within the statutory deadline of 10 business days, accounting for any required extension under law. Please send the responsive records electronically (PDFs or video file formats) or inform me if physical pick-up is required. If you determine that additional time beyond the statutory response period is necessary, I request notice of that extension, including the reason, as provided by governing law. Thank you for your prompt attention to this request. Sincerely, LaVelle LaRue		Police	Pending Information
