

RESOLUTION No. 26-

A RESOLUTION OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, DIRECTING THE CITY MANAGER TO ADD VOLUNTARY PET INSURANCE AS AN OPT-IN EMPLOYEE BENEFIT FOR CITY OF DORAL EMPLOYEES, TO BE ADMINISTERED THROUGH PAYROLL DEDUCTION AT NO COST TO THE CITY; PROVIDING FOR AUTHORIZATION; PROVIDING FOR IMPLEMENTATION; PROVIDING FOR INCORPORATION OF RECITALS; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Doral is committed to offering its employees a competitive and comprehensive benefits package that supports employee well-being, promotes recruitment and retention, and reflects the values and demographic identity of the Doral community; and

WHEREAS, pet ownership is prevalent among City employees and the broader Doral community, and the cost of veterinary care represents a significant and often unplanned financial burden for pet-owning families, with complex procedures routinely costing thousands of dollars; and

WHEREAS, voluntary pet insurance is a well-established employee benefit offered by numerous public sector employers, including Hillsborough County, Sarasota County, the City and County of San Francisco, the City of Madison (Wisconsin), and the State of Michigan, typically structured as a fully employee-funded, opt-in benefit administered through payroll deduction at no direct cost to the employer; and

WHEREAS, adding voluntary pet insurance as an employee benefit carries no fiscal impact to the City, as all premiums are paid entirely by participating employees through payroll deduction, and the City's role is limited to carrier selection, group rate negotiation, and enrollment administration; and

WHEREAS, the City Council finds that the addition of voluntary pet insurance as an employee benefit serves a legitimate municipal purpose by enhancing the City's employee benefits package, supporting the financial well-being of City employees and their families, and strengthening the City's ability to recruit and retain qualified personnel.

WHEREAS, the City Council finds that directing the City Manager to add voluntary pet insurance as an opt-in employee benefit furthers the City's strategic goals of workforce development, employee well-being, and organizational excellence.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, AS FOLLOWS:
