COUNCIL MEETING MEMORANDUM
MAYOR AND COUNCIL**

ITEM TITLE:

Discussion: Adopted Constitutional Amendment "Save our Homes from Excessive Property Taxes"

BRIEF HISTORY:

The rising cost of living and housing affordability continue to be important quality-of-life concerns for residents across Florida. I support responsible tax relief efforts and the Legislature's initiative to explore reforms aimed at addressing these challenges while evaluating opportunities to provide relief to homeowners.

As discussions continue regarding the adopted constitutional amendment, "Save Our Homes from Excessive Property Taxes," it is important for the City prepare. Therefore, I would like to direct the City Manager's Office to prepare a presentation outlining the fiscal impact, including any considerations related to budgeting, enhanced service delivery, long-term financial planning, and the adoption of the City's annual millage rate. The presentation should also include an overview of the changes resulting from the amendment. This information will assist the Mayor and City Council during budgeting and in efforts to properly educate our community.
