December 2024 Monthly Report

SPECIAL DETAILS AND EVENTS

Holiday Safety Initiative

Historically, the influence of the holiday season has an impact on targeted crime. This increase can be attributed to, in part, to distracted shoppers and to individuals who are unsuspecting of those who are waiting for an opportunity to commit a crime. Unfortunately, there are those who take advantage of distracted shoppers and of items left unattended in vehicles or homes. To provide a safe and secure environment for the shoppers, merchants, residents, and visitors of the City of Doral, the DPD launched its holiday crime prevention plan with a primary focus on deterring and reducing targeted crimes. DPD is deploying resources appropriately to provide a safe and secure environment for all who visit and reside within the City of Doral.
