City of Doral
RFQ 2025-06
Storm Drain and Right-of-Way
Repair Services
Addendum No. 4

May 28, 2025

The original Request for Qualifications (RFQ) documents shall remain in full force and effect, except as modified herein, which shall take precedence over any contrary provisions in the prior documents.

Below are answers to questions from prospective proposers of RFQ-2025-06.

1. Q. Can we get the plans or access for this project: RFQ No. 2025-06?
A. **RFQ-2025-06 does not include plans or specifications at this time. This RFQ is for the prequalification of service providers. Projects associated with this RFQ will be assigned to pre-qualified firms as they are identified by the City.**
2. Q. We would like to know if there is any estimated cost related to this RFQ?
A. **No estimated costs are available at this time, as this is a prequalification process. Specific projects have not yet been identified. Once projects are defined, the City may provide cost estimates to the selected pre-qualified service providers.**
3. Q. Also Bid Bond should be turned in person or online and what's the due date?
A. **A bid bond is not required for RFQ-2025-06. This is a prequalification procurement process intended to establish a pool of qualified professional firms.**

Important Reminder:

All prospective proposers of RFQ-2025-06 should note that Addendum No. 2, issued on May 19, 2025, includes a revised Client Survey form. This form should be forwarded to your clients who will be providing references on your behalf.
