	FW: Formal complaint re: repeated baseless complaints and Public Records Request (Ch. 119, Fla. Stat.) Kindly advise me in writing of the City's procedure for addressing repeat, meritless complaints against a property owner, and what steps I may take if this conduct continues. For the period January 1, 2024 through present, please produce the following City of Doral records relating to my property at 11336 NW 46th Lane, Doral, Florida: 1. All Code Compliance case files opened or received regarding my address, including: complaint intake forms, web/311 submissions, emails, letters, case notes, inspection notes, photographs, videos, audio, notices, citations, warnings, hearing notices, liens, dispositions, and closures. 2. Complainant information associated with each complaint (including name and address provided to the City). I understand Florida law prohibits anonymous code enforcement complaints and requires complainants to provide their name and address; please include that information unless a specific statutory exemption applies. (I should note, I've always been advised complaints were "anonymous" when I directly asked law enforcement.) 3. All communications (emails, letters, texts, internal notes) between Code Compliance staff, City Clerk staff, Police Department personnel, and any other City personnel regarding complaints about my address. 4. Logs/metadata for each complaint: date/time received, method of receipt, case number, assigned officer, actions taken, inspection dates, findings, and disposition. 5. Any policies, procedures, or directives in effect during the period governing (a) intake and investigation of code complaints, (b) handling of repeat or unfounded complaints, and (c) the prohibition on anonymous code complaints. 6. Any responsive Police Department records the City maintains in its systems related to calls for service to my address prompted by code/animal complaints (e.g., incident summaries, CAD call logs, or call-for-service sheets retained	Code Enforcement	Completed	9/11/2025

		This is a request for public records made under FPRA and the common law right of access. Please confirm receipt of this message. Kindly send all responsive documents electronically — either by replying directly or emailing the address below. This unique address helps me organize my requests, so please use it exactly as shown: recordrequest+22905+1757516684060@govrecordrequest.com Records requested: Please send the final and compiled bid tabulation (bid tally), including all quantities and unit pricing for each bidder, for 'Trail Lighting Improvements on Turnpike, Dressel's, and Beacon Trails' that was submitted on 07/24/2025. I believe the project number is 'ITB-ITB-2025-17-0-2025/R.M', but I could be mistaken. If so, please use the project name and date to lookup the responsive documents. We specifically request the line-item bid tabulation showing each material, quantity, unit, and unit price for every bidder. If no such line-item tally was created, please provide the full bid submissions from each contractor. A grand total sheet alone is not sufficient to satisfy this request unless it was a lump sum bid.
