	<p>FW: 2470 NW 102nd Place #203, Doral FL 33173 - Assistance with Zoning Approval Process for Buyer's Business Use</p> <p>I am reaching out to see if when you are available to coordinate an in-person meeting. The purpose of this meeting is, we are currently under contract for the above reference office condo in Doral and the buyer, Academic Behavioral &amp; Cognitive Testing Services (Home   CDE Experts - ABC Testing Services   Miami, Florida   Online), has been asked to provide certain documents, which are listed below. I recently met with the zoning department to see how we can assist the buyer. Based on this meeting, I was advised to consult with the building department, as they would need to approve the business use, given that the property is currently zoned as industrial. While I pointed out that the building currently houses a diverse range of businesses—including two worship centers, a dance school, a real estate office, and a warehouse/wholesaler—the building official still recommended that a study be conducted and supporting documents be provided since the net SQFT would change based on the use.</p> <p>The documents requested by zoning include:</p> <ul style="list-style-type: none"> <li>• Business/property address</li> <li>• Intended use at this location</li> <li>• Off-street parking calculations</li> <li>• List of all businesses located at the provided address</li> <li>• Uses for those businesses</li> <li>• Square footage of each business</li> <li>• Hours of operation for each business</li> <li>• Total number of parking spaces at the location</li> </ul> <p>While we understand The City of Doral has implemented this process, this is really hindering us from being able to sell/rent the unit. Any assistance or advice you can provide would be greatly appreciated.</p>	Planning and Zoning	Pending Information

	I am requesting data on all purchase orders issued by the city from Jan 1, 2021 to the present and valued at \$5,000 or greater. I would like the data to include the following information. - Purchase order number (or similar identifier) - Purchase date - End date of the purchase order (where available) - Detailed descriptions of the purchase made (including descriptions for each line item if applicable) - Line item quantity - Line item price - Vendor name Ideally, this information can be provided in Excel or .csv format by exporting it from an existing agency database. To be clear, it is not my intent to submit a burdensome request. I am not requesting staff to create new records or provide original purchase documents. I am simply interested in receiving data that exists in the agency's procurement record keeping system.	Procurement	Pending Information

	<p>since December 12, 2025, I am no longer part of the Doral Isles Community Board of Directors (BOD) due to a counting error in the last elections, which we are currently resolving through DBPR and for the sake of our community, I hope it returns soon! Additionally, I regret that the event took place despite the recommendation from Code Compliance not to proceed with it. I would greatly appreciate it if you could send me the report regarding the violation for the lack of a permit from the City of Doral, specifically regarding the 5K marathon event on April 6th held at Doral Isles Community.</p> <p>In addition, I would appreciate if you could provide details on any expenditures related to the event, such as food, tents, and other associated costs</p> <p>I would also like to know if there were any complaints from neighbors or if the action was taken simply as part of the city's normal protocol.</p> <p>I look forward to your response.</p>
