---

**Dear Ms. Pantaleon,**

On behalf of Christ Family Church, the enclosed application for the Adopt-a-Street program is submitted with the intent to adopt NW 33rd Street between NW 87th Avenue and NW 97th Avenue. Our organization is a registered 501(c)(3) non-profit, Christian faith-based, organization located in Doral that is committed to serving our city and its residents to strengthen families, faith, and community service. We request that the Christ Family Church name replace Doral Vineyard Church on the previous application submitted in February 2024.

Our community charitable work includes individual, marriage, and family counseling in addition to collecting and distributing supplies to needy families and children and providing tailored programs to support the welfare of families and children.

Our purpose for adopting a street is to promote community service and provide our organization members, their families, and other community partners with opportunities to volunteer in a meaningful way that has a tangible positive impact on our city.

We are a diverse community of people from different cultures, generations, and walks of life with a passion to serve the community and support city initiatives, such as Adopt-a-Street.

Thank you, in advance, for the opportunity to mobilize volunteers to keep NW 33rd Street free of trash and litter. Our coordinator and primary point of contact is Alec Valdes, who can be reached at (305) 846-6597 and [info@mychristfamily.org](mailto:info@mychristfamily.org).

With kindest regards,

Jose Prado, Pastor  
Christ Family Church
