National Night Out is a nationwide community building campaign that promotes police-community partnerships. This year's event included arts, crafts, police demonstrations, K9 demonstrations, bike rodeo, food trucks and much more. This event, celebrated across all fifty states, was another great opportunity for Doral PD to connect with members of the community and share information about back-to-school safety and distribute school supplies and giveaways from community partners and discuss safety awareness and crime prevention techniques.

Mass Casualty Training Exercise at Academir Charter School East

On August 7, 2025, the Doral Police Department and Academir Charter School East staff conducted a Mass Casualty Active Shooter Exercise to prepare for the upcoming school year. This training was conducted on the school's campus and provided a realistic approach for all participants. Preparing officers and school staff for the unexpected allows officers to improve their overall response for the safety of our schools and our community.

Back to School 2025

On August 14, 2025, students across Miami-Dade County headed back to school. To help facilitate a safe return for the children attending City of Doral schools, the DPD deployed a variety of resources to emphasize school safety for both pedestrians and drivers. Traffic details for inbound and outbound traffic as children were dropped off and picked up from school reminded our community of the rules and laws surrounding our schools and school traffic. This year the DPD Aggressive Driving Unit efforts resulted in 680 citations being issued. Electronic Message Boards were also deployed in strategic areas to remind pedestrians and drivers to be alert and drive safe in our school zones. Additionally, the DPD utilized an "all hands-on deck" approach and utilized all available personnel to augment the full time School Resource Officer assigned to each school.

Miami-Dade County Association of Chiefs of Police Dinner

On August 21, 2025, the Doral Police Department proudly co-hosted the Miami-Dade County Association of Chiefs of Police dinner at the Trump National Doral Resort. The Doral Police Department and its members are proud to join during this event and always in our unified commitment to the safety of our communities.

Doral Academy Charter High School Law Enforcement Appreciation Breakfast

On August 27, 2025, Doral Academy Charter High School Staff honored the Doral Police Department with an Appreciation Breakfast. This was a wonderful opportunity for members of the DPD to spend time with students and school staff.
