	I would like to see if there are any records on my personnel/payroll file of treasury bonds that I purchased with the City when I was employed there from 2004-2011. I believe the City's bond program began sometime between 2006-2008.I can't recall. I can not locate my physical paper treasury bonds and need to report them to the Treasury and my Living Trust. I need to see if the City has documentation on file with my bonds (I believe they were either sold in \$25/\$50 denominations) including City bond enrollment form, purchase receipts, statements, or records of the bond serial numbers. Thank you so much.	Finance	Pending Information
