Dear Mr. Ahmed:

We represent Publix Super Markets Inc., (the "Applicant") and owner of the property located at 9705, 9709, 9725, 9755, 9767, and 9785 NW 41st Street, as further identified by folio numbers 35-3020-012-0020 and 35-3020-012-0010 (the "Property"). Please see Property Appraiser's records attached as Exhibit "A."

The Applicant is submitting this application for Administrative Site Plan Review ("ASPR") for the Property.

The Property is +/- 11.35 acres in size, and is currently designated *Business* on the City's Future Land use Map (FLUM) map and zoned *Commercial Corridor (CC)* with a *Doral Boulevard* overlay on the City's Official Zoning Map. The Property is currently improved with a shopping center anchored by a Publix Super Market store that has been operating successfully since 1987 and has become a staple to the community's residents. The Applicant is seeking an ASPR approval to effectuate a series of improvements to the site and construction of a new Publix Super Market which will enhance the general area.

The shopping center is 113,515 SF with 531 parking spaces. The proposed improved center will be 106,787 SF with 487 parking spaces. The Applicant is reducing the building footprint which will allow the Applicant to include additional green space, updated landscaping, improved parking areas and a new breezeway.

Revisions to the current site, detailed in the enclosed set of plans titled "Publix at Doral Plaza Store No. 0031" prepared by GRAEF-USA, Inc. dated September 24, 2024, include the following:

- Demolishing 39,795 of current Publix storeroom and adjacent retail
- Demolishing 10,657 square feet of other in line retail space

October 9, 2024

Page 2

- Re-building 53,951 SF of Publix space, mezzanine and adjacent retail
- Updating all current site lighting, parking areas, drainage systems and utilities
- Modifying one access point providing for additional movement
- Implementing off site safety improvements on NW 41st Street and NW 97th Avenue
- Upgrading current canopy and facade
- Implementing pedestrian and parking improvements
- Implementing site circulation improvements
- Updating all current landscaping, including additional green space in the building reduction area.

Further enclosed is the Application and supporting materials.

Based on the foregoing, we ask for your favorable consideration of this request. These improvements will ensure that this retail center will continue to successfully serve the needs of the Doral community for many more generations. Should you have any questions, please do not hesitate to contact us. Thank you for your time.

Very truly yours,
