Commendation

Supervisors in your chain of command have brought to my attention that your actions are worthy of commendation.

On Friday, April 17, 2026, City of Doral Police Officers responded to 8750 NW 36th Street regarding a report of a sick or injured person involving a male who had fainted (Case #DR260417-006783).

Upon arrival, officers encountered an unresponsive 41-year-old male who was not breathing and appeared visibly cyanotic (purple in color), indicating a critical medical emergency. Recognizing the severity of the situation, the officers immediately assessed the victim and initiated lifesaving measures.

Probationary Police Officers Adrian Ochoa and Samuel Guerra demonstrated extraordinary dedication and perseverance by performing continuous cardiopulmonary resuscitation (CPR) on the unresponsive male for an extended period of time. Despite the victim showing no immediate signs of recovery, both officers remained focused and relentless in their efforts, providing high-quality CPR until the individual regained signs of life.

The officers' swift actions, teamwork, professionalism, and unwavering commitment to preserving life were instrumental in sustaining the victim until the arrival of Miami-Dade Fire Rescue personnel. Their decisive response under extremely stressful circumstances directly contributed to the successful resuscitation and survival of the individual.

The actions of Probationary Police Officers Adrian Ochoa and Samuel Guerra reflect great credit upon themselves, the City of Doral Police Department, and the law enforcement profession. Their courage, dedication, and commitment to serving the community exemplify the highest standards of public service and are worthy of special recognition and commendation.

You are hereby commended for your swift actions and your dedication to the Department. Your exemplary performance and dedication to the Department is a credit to you, your supervisors, and the entire City of Doral Police Department. A copy of this commendation will be placed in your personnel file.
