BRIEF HISTORY:

The Gloria M. Silverio Foundation and its program "A Safe Haven for Newborns" is a statewide initiative that partners with every hospital in Florida, as well as fire and EMS stations, including those serving Doral, to prevent infant abandonment by offering safe and legal alternatives for parents in crisis. Its work protects vulnerable children, supports first responders, and ensures Doral families have access to this lifesaving safety net.

Latin American US Foundation has worked since 2018 to promote youth development and civic participation through educational and cultural activities in Miami-Dade communities. By creating opportunities for learning, volunteering, and inclusion, the Foundation advances the City of Doral's vision of fostering engaged and thriving residents.

FUNDUNIFE supports the diaspora community through cultural and educational programs that expand opportunities and strengthen identity. These initiatives enrich quality of life, promote cultural engagement, and align with Doral's commitment to community growth and diversity.

Círculo de Escritores y Poetas Iberoamericanos Inc. (CEPI), founded in 2008, is a nonprofit cultural organization dedicated to preserving and promoting Ibero-American literature and the arts. Through book presentations, poetry recitals, conferences, and its Cuadernos Literarios magazine, CEPI provides a platform for local and international writers. Its programs foster creativity, cultural pride, and community identity—values that align with Doral's commitment to cultural enrichment and diversity.
