

CITY OF DORAL COUNCIL MEETING MEMORANDUM MAYOR AND COUNCIL

ITEM TITLE:

Discussion on the City's Compliance with the DOJ Government Oversight Initiative and Recent State Mandates.

BRIEF HISTORY:

This item is being introduced to allow for Council discussion regarding the City of Doral's current compliance status with the Department of Justice's Government Oversight for Government Efficiency (DOGE) Initiative, which became mandatory statewide as of July 1, 2025. The City has recently received correspondence from Tallahassee requesting an extension for compliance.

Councilwoman Digna Cabral originally proposed participation in this initiative as a voluntary effort in 2024 to increase transparency and fiscal oversight, but the proposal was not supported at that time. Now that the program is mandatory, this item seeks to provide a formal update to the Council and the public on the City's current response, submission status, and steps being taken to comply with the state requirement.

RECOMMENDATION:

Councilwoman Digna Cabral requests that the Council hold a public discussion to review the City's current compliance status with the DOJ Government Oversight Initiative, including whether the extension request to Tallahassee has been granted, what documentation has been submitted, and what procedures are in place to meet the requirements of this state mandate.

This item is intended to reinforce transparency and to clarify the City's position on fulfilling its oversight obligations.
