BRIEF HISTORY:

The City of Doral's Mayor and City Council are among the few governmental bodies in Miami-Dade County that have created prescriptive rules that govern their professionalism and behavior that are encoded into the City of Doral's Code of Ordinances. This high standard has been for the most part self-regulated. However, unlike other sections of the City's Code, violations of the rules of procedure and conduct are not regulated by the City's Code Enforcement Department and do not provide for a schedule of penalties. Accordingly, it is advisable that violations of this section of the City's Code be sanctionable.
