You may have two different submittals in the system. But I only have confirmation of one being submitted. If you can share the submitted plans that would help us tremendously. |           | Public Works      | Pending Information | 6/10/2025            |

|      |          | I am writing to formally request access to public records under Florida’s Sunshine Law. Specifically, I am seeking any available traffic camera footage related to a motor vehicle accident that occurred on:<br>• Date: May 12, 2025<br>• Time: Approximately 11:21 AM<br>• Location: Intersection of NW 79th Ave and NW 25th St, Doral, FL<br>• Agency Case Number: 250512008045<br>• Crash Report Number: 2660731Z<br>• Reporting Officer: PO Roger Tompkins, Badge #RT890, Doral Police Department<br>This request is being made in connection with an ongoing insurance dispute. In this case, the insurance company of the at-fault driver is refusing to cover the damages caused to our vehicle, and the footage could help clarify liability and support our claim.<br>Please advise if any footage from traffic or public surveillance cameras at or near the above intersection is available, and the procedures or fees required to obtain a copy.<br>If the City of Doral does not maintain such recordings, I would greatly appreciate your guidance on the appropriate agency to contact. |           | Information Technology | Completed | 6/23/2025     |  |

|      |                 | Someone reported a aerial cable in front of 5640 nw 115th Court. Installed by comcast/infinity. This was corrected last week as we told the code enforcement officer it would be. Was not violated either way. Just want to know who filed the complaint.     |           | Code Enforcement       | Completed           | 6/25/2025            |

|      |          | I'm conducting a small-scale educational project focused on analyzing public interactions in different U.S. communities. I was wondering if your agency would be willing to provide—at no cost—any body-worn camera videos that have already been paid for and produced for the public during the period of [e.g. January 1, 2024 – December 31, 2024].<br><br>If such a broad date range is too demanding on your staff or systems, I'd be happy to narrow the request—for example, to May 1st to May 31st, 2024.<br><br>Previously, the City of Homestead, Florida was able to share already-processed footage at no cost under a similar request format. I truly appreciated their transparency, and I wanted to kindly ask whether your agency offers a similar opportunity.<br><br>Thank you very much for your time and service. If there's any form or further detail you require, I'd be happy to provide it. |           | Police           | Completed           | 7/30/2025     |
