<p>Request to access Park Footage The purpose of this email is to request permission to see footage at Doral Glades Park, and Ms. Recalde recommended that we contact you.</p> <p>This video that we would like to see, occurred on Wednesday February 19, 2025, between 11 am and 1 pm. However, we are not exactly sure when it happened, but we suspect it was around that time.</p> <p>This unfortunate incident has to do with our son Martin Trigo de Serrano, that at that time he was enrolled in the Adult Day Training program at the park. We have been told that the incident happened around the playground area; again, we are a little lite on details, the management of the program has been very vague on specifics, and this is the main reason why we are so persistent to see what transpired.</p> <p>As parents/Legal Guardians of a special needs person, we would like to have complete clarity of what happened, and the security cameras will do that.</p> <p>Please do not hesitate to contact us if you have any questions.</p> <p>Thank you in advance,</p>		Information Technology	Completed	3/7/2025
