

RESOLUTION No. 26-

A RESOLUTION OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, AUTHORIZING THE CITY MANAGER TO AMEND THE SERVICE AGREEMENT EXTENSION WITH ZONAR SYSTEMS (FORMERLY KNOWN AS TSO MOBILE) FOR THE INSTALLATION AND SERVICES OF SAFETY AND SECURITY DEVICES ON THE DORAL TROLLEY SYSTEM (DTS), IN ORDER TO REFLECT UPDATED PRICING, FOR AN EIGHT-MONTH PERIOD IN AN AMOUNT NOT TO EXCEED ANNUAL BUDGETED FUNDS; AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENT CONTRACT AND EXPEND BUDGETED FUNDS ON BEHALF OF THE CITY; PROVIDING FOR IMPLEMENTATION; PROVIDING FOR INCORPORATION OF RECITALS; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, pursuant to Resolution No. 10-46, the City of Doral (“City”) entered into an agreement with Tracking Solutions Corp (TSO Mobile), currently known as Zonar Systems, for the installation and maintenance of safety and security devices on the Doral Transit System (“DTS”); and

WHEREAS, prior to the expiration of the aforementioned agreement, pursuant to Resolution No. 17-110, the City extended the agreement with TSO Mobile on a month-to-month basis under the same terms and conditions of the original agreement, while City Staff negotiated a new five (5) year agreement with TSO Mobile that will include competitive unit prices for equipment, installation, and maintenance fees; and

WHEREAS, pursuant to Resolution No. 19-21, the City entered into a new agreement with TSO Mobile for the same services, which provided for an initial two (2) year term, with the option to renew for three (3) additional one (1) year extensions (the “Agreement”); and

WHEREAS, during the contract period, TSO Mobile has provided exceptional service to the DTS; and

WHEREAS, specifically, as a result of TSO Mobile's geographic proximity to the City (i.e., their local presence), as well as the absence of a local competitor, TSO Mobile has remained the only viable vendor to ensure a quick response when the City's trolley technology hardware requires service; and

WHEREAS, the City's Agreement with TSO Mobile expired on February 28, 2026; and

WHEREAS, at the January 2026 Council Meeting the Mayor and Councilmembers adopted Resolution No. 26-11, extending the Contract until October 1, 2026, to match the expiration date of the current Trolley O&M Contract; and

WHEREAS, Zonar Systems is requesting an adjustment in the services pricing due to market conditions and increased service costs for the remainder of the contract extension; and

WHEREAS, the requests respond to infrastructure modernization and vendor service fee increases; and

WHEREAS, it should be noted that during the duration of the current contract there has been no price adjustments since 2019; and

WHEREAS, Zonar Systems is proposing unit prices based on a 2-Year Term contract even though the contract extension only has eight (8) months left; and

WHEREAS, the Public Works Department respectfully requests that the City Councilmembers authorize the City Manager to amend the current contract with Zonar Systems to reflect the price adjustments; and

WHEREAS, funding to cover the cost for this expense is available in the Transportation Fund Account Num. 101.80005.500341, "Contractual Services".
