RE: MG3 Doral Office LLC / Letter of Intent for a rezoning application to *Doral Mixed-Use (DMU)*
for the property located at 8400 NW 36th Street in the City of Doral / Doral Concourse

Dear Mr. Perez:

We represent MG3 Doral Office LLC, a Florida limited liability company (the "Applicant") and owner of +/- 5.64-acre parcel of land located in the City of Doral (the "City") at 8400 NW 36th Street, as further identified by folio number 35-3027-060-0010 (the "Property"). Please see Property Appraiser's records attached as Exhibit "A."

The Applicant is requesting to rezone the Property from *Industrial Commercial* to *Downtown Mixed Use (DMU)*.

The Property is currently designated *Office and Residential* and *Industrial* on the City's Future Land use Map (FLUM) map and zoned *Industrial Commercial* on the City's Official Zoning Map. The Property is located in the heart of the City's Downtown on NW 36th Street, *Doral Boulevard*, immediately west and adjacent to *City Place Doral*. The Applicant is seeking to make the entire property *DMU*. The Applicant has filed a concurrent application to redesignate the Property from *Office and Residential* to *DMU* on the FLUM.

The Property's current use and development predates the City's incorporation and most recent transformation into the vibrant community it is today, where a growing number of people are choosing to live, work and play. The proposed *DMU* category and zoning district are the highest and best use for the Property, allowing for a mix of uses that are more appropriate for the location of the Property, the surrounding uses and zoning trend in the area.

The proposed *DMU*, *Doral Concourse*, presents a unique opportunity to further revitalize and continue to activate the City's Downtown. It will further transform the character of the neighborhood on and surrounding *Doral Boulevard* and promote the City's goal for high-quality development in this vital area.

The Applicant is filing an application to rezone the Property from *Industrial Commercial* to *DMU*. The *DMU* rezoning request is consistent with the City's regulations and the criteria set forth in Sections 68-554 – 68-571, Code of Ordinances, City of Doral, Florida (the "Code"). In conjunction with the land use amendment and site plan, the *DMU* zoning request presents a distinctive opportunity to continue to stimulate the City's Downtown, as *City Place Doral* started to do to the east.

The Property is exceptionally suited for the proposed mix of uses and the flexibility of development that is afforded by the *DMU* land use category and zoning district. Approval of this Application will serve to enhance

the City's principal transportation and commercial corridor, improve pedestrian connectivity, provide for a more varied downtown, and offer a standard of excellence that is incomparable to anything currently on the market for the City's residents. This will be a notable project that will further bring international recognition to the City as the premier and up-and-coming place in South Florida to live, work, and play.

The proposed development plan for *Doral Concourse* will be consistent with the City's regulations as well as the *DMU* land use category in the City's Comprehensive Development Plan. Furthermore, the proposed development will be compatible with the patterns of development in the surrounding area.

Based on the foregoing, we ask for your favorable consideration of this request. Should you have any questions, please do not hesitate to contact us. Thank you for your time.

Yours truly,

Elinette Ruiz-Diaz de la Portilla
