

Doral, Florida, June 5, 2026

Dear Mayor Fraga:

Please receive a cordial and respectful greeting.

Through this letter, we have the honor of officially informing you that the fourth edition of the Doral International Art Fair (DIAF) will take place from November 12 to 15 of this year at the Doral Cultural Arts Center.

This four-day event has been developed since 2023 as a high-impact platform for art, culture, education, gastronomy, hospitality, and local commerce.

The recent trajectory of the fair confirms its growth and relevance. During the 2023, 2024, and 2025 editions, DIAF welcomed more than 7,000 visitors and featured over 40 exhibition spaces, consolidating itself as an increasingly strong, vibrant, and innovative cultural platform.

This momentum makes the 2026 edition an extraordinary opportunity to continue expanding its reach and attracting new audiences, sponsors, and strategic partners.

Galleries from Houston, Ecuador, Spain, Mexico, Colombia, Cuba, and Venezuela have confirmed their participation. Likewise, special projects will be developed with the Museum of Contemporary Art of the Americas (MoCA-Americas) and the Cuenca Biennial, one of the most important cultural events in Ecuador and a highly influential platform in Latin America.

The proposals range from historical avant-garde to contemporary art, while promoting multiculturalism and art as an expression of peace, dialogue, and social coexistence.

Based on the indicators and media visibility achieved in previous editions, we anticipate a significant economic impact for the city during the month of November, further positioning Doral as a cultural and tourism reference.

Considering the relevance of this project for the community, we respectfully submit this information for your distinguished consideration, with the purpose of having it included as a discussion item on the agenda of the next City Council meeting, scheduled for June 10.

We thank you in advance for your continued support of initiatives that promote the development of our city. Attached, please find a management report detailing the information mentioned above.

Without further ado, and with the highest consideration, I remain,

Respectfully,

Nuestra feria ha logrado reunir a artistas, galerías, curadores y público en general en un espacio que promueve el encuentro entre culturas, el intercambio de ideas y el fortalecimiento del ecosistema artístico. Este esfuerzo ha permitido no solo acercar el arte a la comunidad, sino también posicionar a Doral como una ciudad que valora y proyecta la cultura como parte de su desarrollo.

Los resultados alcanzados en las ediciones anteriores reflejan un crecimiento sostenido tanto en participación como en alcance, evidenciando el compromiso de las galerías, la labor de los curadores, el talento de los artistas y el respaldo de instituciones públicas y privadas. Más allá de las cifras, DIAF ha contribuido a generar experiencias significativas, fomentar el diálogo cultural y abrir oportunidades para quienes forman parte del sector creativo.

La cuarta edición de DIAF se presenta como una oportunidad para continuar fortaleciendo este camino, incorporando nuevas propuestas, ampliando su alcance y consolidando su impacto en la ciudad. Nuestro compromiso es seguir desarrollando una plataforma organizada, inclusiva y de calidad, que aporte valor cultural y social a la comunidad.

Agradecemos el respaldo de la Ciudad de Doral, así como la participación de las galerías, curadores, artistas, aliados institucionales y patrocinantes que han hecho posible el crecimiento de esta iniciativa. Confiamos en que DIAF continuará evolucionando como un espacio de encuentro que impulsa la cultura, conecta a la comunidad y proyecta a la ciudad.
