Honoring Marjory Stoneman Douglas High School

On the eve of the eight-year anniversary of the tragic events that occurred in 2018, we had the honor of attending a heartfelt event at Marjory Stoneman Douglas High School. While the memories are heavy and will always remain with us, this occasion will always serve as a powerful reminder of resilience, unity,

and the importance of never forgetting. We will continue to honor the lives lost, support the families and survivors, and reaffirm our commitment to protecting our schools and our community.

National School Resource Officer Day

On February 15, 2026, the DPD recognized National School Resource Officer Day which is celebrated annually to honor law enforcement officers working in our schools. School Resource Officers (SROs) are specially trained officers who work within school communities to provide security, serve as mentors, and teach law-related education. The DPD is very proud of our SROs and would like to thank them for going above and beyond for students and staff across the City of Doral.

Coffee with a Cop Events

On February 17 and 26, 2026, the DPD participated in two coffee and conversation events at Panna Doral and Miami-Dade College West Campus. These events are an amazing opportunity for members of the DPD, City of Doral Leadership and members of the community to share their ideas and get to know one another better. Making time for our community is one of the most important things we do as a Department and building partnerships continues to strengthen our core and foundation.
