Date: September 3, 2024

To: Vice Mayor Oscar Puig-Corve  
Councilwoman Digna Cabral  
Councilman Rafael Pineyro  
Councilwoman Maureen Porras

From: Mayor Christi Fraga

Subject: **Resource Recovery Facility Potential Fourth Site**

---

## **Introduction**

The purpose of this item is to urge Miami-Dade County Board of County Commissioners to consider a potential fourth site for the new Resource Recovery Facility as circulated by Mayor Daniella Levine Cava in the memo dated August 29<sup>th</sup> 2024 and by Commissioner Bermudez in the memo dated August 27<sup>th</sup> 2024 to the County Commissioners. Additionally, adopting a City resolution that will address the City's non-binding position on the Letter of Intent (LOI) provided by Miami-Dade County, concerning the City's potential financial contribution towards the relocation.

Attached hereto are the memos provided by Mayor Daniella Levine Cava and Commissioner Bermudez's offices. Which shall be heard at the next BBC meeting. This resolution from the City would provide the Board of County Commissioners with the City's official position on this matter.

**Fiscal Impact:** TBD

## **Recommendation**

It has always been and should continue to be our utmost priority to protect the quality of life of all our residents. Therefore, I respectfully request the support of my colleagues on this item.
