DEPARTMENT OF STATE
TALLAHASSEE, FL

Dear Secretary Byrd:

After an extensive 105-day Regular Session, the Legislature was able to agree on a FY 2025-2026 budget that mirrored the bottom line and priorities that I deemed important in my *"Focus on Fiscal Responsibility"* proposed budget released earlier this year.

In keeping with the fiscal responsibility that I have championed in the Free State of Florida, I am proud that we have maxed out our Rainy-day Fund (tripling it since I took office) and will continue accelerating the repayment of the state's debt. With today's vetoes totaling \$1.35 billion, which includes \$576 million in line-item vetoes, our state reserves will be at a healthy \$15.7 billion.

Florida continues to lead the nation in combatting illegal immigration, amplifying school choice, increasing teacher salaries, devoting money towards cancer research and innovation, investing in Everglades conservation and water quality restoration, and continuing to help those who are still recovering from the most recent hurricane season.

Florida ranks second in the nation for lowest per capita spending. The Fiscal Year 2025-26 Florida Budget once again spends less in the coming year than the previous and provides ample tax relief for families and businesses. At my direction, Florida has finally eliminated the business rent tax and permanently ended sales taxes for disaster preparedness supplies and for Back-to-School items.

While we have delivered close to \$10 billion in tax relief during my tenure as governor, I am mindful of the burden that local property taxes have imposed on Floridians. I am also mindful that under Florida's constitution, such taxes are controlled by local governments. Accordingly, I will work with members of the Legislature to propose an amendment-to be

approved by voters –that will provide constitutional protection for Florida residents and their primary homes.

By the authority vested in me as Governor of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby withhold my approval of portions of Senate Bill 2500, enacted during the 127th Session of the Legislature convened under the Constitution of 1968, and entitled:

An act making appropriations; providing monies for the annual period beginning July 1, 2025, and ending June 30, 2026, to pay salaries, and other expenses, capital outlay - buildings, and other improvements, and for other specified purposes of the various agencies of State government; providing an effective date.

I do hereby withhold my approval of the following line items in the 2025-26 General Appropriations Act:
