

Here is a summary of who we are and the reason for the event and potential impact to Downtown Doral.

My partner and I have over 40 years' experience in event planning. Armando was the VP at iHeart for over 25 years putting together events such as Jingle Ball, Fiesta Latina, iHeart Music Festival and many others. Myself, I have been part of Kiwanis Club of Little Havana for the past 20 years and have curated events such as Carnaval on the Mile and Calle Ocho.

Our events are focused on giving back to the community, partnering with many nonprofits such as, Abuelo's Foundation, Kiwanis Club of Little Havana, His House, Sebastian Strong, Give Miami Day and others.

In addition, our events produce significant financially beneficial impacts to local businesses and brand awareness to our sponsors and vendors. Events like Carnaval on the Mile have impacted the community to a tune of \$40M annually.

The event will be held on Friday, January 30th, 2026, through Sunday February 1st, 2026.

- On Friday, the street closure will begin at 8AM and vendors will begin to set up at 10AM. That Friday the event will be from 6PM through 11PM. Music will be playing throughout those hours, by DJs.
- On Saturday, the event will be from 10AM through 11PM. Music will be playing throughout those hours, by DJs.
- On Sunday, the event will be from 10AM through 10PM. Music will be playing throughout those hours, by DJs.

The event will be held on 53rd Ave between 87th Ave and 84th Ave and parking will be available at the Codina properties.

Danny Lorenzo & Armando Lapido, Co-founders

GOAT MEDIA Productions

City of Doral Special Event Permit Application Packet

What is considered a special event?

Special events are concerts, festivals, races, walks, circuses, carnivals, shows, exhibitions, grand opening promotions, concerts, and other similar activities or gatherings taking place in City venues or privately owned property, whether operated partially or totally indoors, outdoors, on stage, under tents or with the use of temporary buildings or structures, to which members of the general public are invited as participants or spectators. Special events shall not be permitted to be located or operated in the City except as provided in this article.

For demonstrations and assemblies, please contact the Police Department at 305-593-6699.

What you should know:

Please contact the planning and zoning department at pzspeialevents@cityofdoral.com for a brief pre-application meeting.

Special events that require city council approval:

- Events expecting 400 or more participants
- Events longer than three (3) consecutive days
- Events held on City property
- Events with significant impact on city services, impact on traffic, parking, noise, etc.
- Event application submitted less than 45 days prior to the event.

Fees

- \$350.00 plus \$15.00 technology fee
- Between 89 days - 60 days additional \$200.00
- Between 59 days - 45 days additional \$400.00
- Less than 45 days prior to the event \$1,000.00 fee and requires City Council approval

Please contact the **Building Department at 305-593-6700** for information about required building permits.

Permits Required for:

- Tents larger than 10 x 10
- Generators larger than 10 kw
- Stage
- Portable toilets

Exceptions to the special events regulations:

- A minor special activity, on private property which is defined as special event and is self-contained that has a total attendance of less than 100 persons, has a limited impact on traffic, parking and noise in surrounding neighborhoods, and does not alter the use, occupancy, occupant load, or facility count of the facility proposed to be used.
- Corporate events located on business premises that does not require any city services. The sponsor of the proposed special activity shall submit all details of such proposed activity to the planning and zoning department at least 30 days in advance of the event.
- Events by a self-insured governmental entity.
- Outdoor retail events in which the owner or lessee of the property used for a retail use is selling his/her/its merchandise on site may be exempt from the provisions of this article, provided that: such an outdoor retail event is contained wholly on the retail property (shall not occupy public sidewalks, rights-of-way, or property or other private property); event areas may not occupy any required parking spaces; four feet of clear passage is maintained in any occupied private sidewalks; adequate sanitary facilities are available in the subject retail business to accommodate patrons.

Submittal Requirements

- Special event permit application
- Fee (please see above fees information)
- Hold harmless letter
- Site plan with details required by section 35-48(7) of the city's code.
- Owner's letter of approval, if applicable.
- Certificate of Insurance (the applicant shall provide a certificate of insurance satisfactory to the city manager or designee, such insurance to be comprehensive general liability insurance in a minimum amount as may be determined by the city's risk management division, naming the city as an additional insured)
- Copy of State of Florida Division of Alcoholic Beverages & Tobacco permit or copy of current DBPR license, if selling alcoholic beverages.
- Parking plan identifying the location of vendor parking, volunteer parking, and guest parking (traffic circulation plan).
- Details regarding whether a road closure will be requested including, the proposed road area, proposed use of closure area, and proposed closure hours.

I hereby acknowledge that all required permits should be approved before to the opening of this event and fees due should be paid no later than fourteen (14) days prior to this event.

70	25'	50'	25'	100'	2640'	1500'	1000'	500'	730'	840'

TABLE 2

Table I Device Spacing				
Work Zone Speed (mph)	Maximum Spacing (feet)			
	Cones or Temporary Tubular Markers		Type I Barricades, Type II Barricades, Vertical Panels, or Drums	
	Taper	Tangent	Taper	Tangent
	≤ 45	25	50	25
≤ 50	25	50	50	100

TABLE 2 TAPER LENGTH "L"	
FORMULAS	
$S \leq 40$	$L = \frac{WS^2}{60}$
$S \geq 45$	$L = WS$
Where: W = Width of Offset in feet	
S = Speed in mph	

TABLE 3 WORK ZONE SIGN SPACING "X"	
Road Type	Min. Spacing (feet)
Arterials and Collectors with Work Zone Speed ≤ 40 mph	200
Arterials and Collectors with Work Zone Speed ≤ 45 mph	500
Limited Access Roadways	1,500
* For Limited access roadways with work zone speed ≤ 55 mph, the minimum spacing may be reduced in accordance with the MUTCD and as approved by the Engineer.	

TABLE 4 BUFFER LENGTH "B"	
Work Zone Speed (mph)	Minimum Length (feet)
25	155
30	200
35	250
40	305
45	360
50	425
55	495
60	570
65	645
70	730
NOTE: When Buffer Length "B" cannot be attained due to geometric constraints, use the greatest length possible, but not less than 155 feet.
