RE: Adopt-A-Street Program

To Whom It May Concern,

On behalf of the Doral Chamber of Commerce, Inc., established in 2008, I am writing to express our interest in participating in the City of Doral's esteemed Adopt-A-Street Program. As an organization deeply rooted in the Doral community, we have consistently supported the City's efforts to foster a vibrant, clean, and welcoming environment for both businesses and residents alike.

Our Chamber, representing a diverse array of businesses in Doral, understands the importance of maintaining the aesthetic and environmental health of our city. By joining the Adopt-A-Street Program, we aim to contribute actively to these efforts, enhancing the beauty and cleanliness of our local streets. This initiative aligns perfectly with our ongoing commitment to community engagement and environmental responsibility.

Through the Adopt-A-Street Program, we hope to set an example for other organizations in Doral, encouraging them to take part in communal activities that enrich our city. We believe that keeping our rights-of-way pristine not only uplifts the city's appearance but also promotes a sense of pride and ownership among its inhabitants and visitors.

For more information about the Doral Chamber of Commerce and our activities, please visit our website at www.doralchamber.org. We are excited about the prospect of collaborating with the City of Doral on this project and are eager to discuss further details at your earliest convenience.

Please feel free to contact us with any questions or to arrange a meeting to discuss this partnership further. We look forward to the opportunity to contribute to the City of Doral's vision for a cleaner and more beautiful community.

Thank you for considering our application to the Adopt-A-Street Program. We eagerly anticipate the prospect of working together for the betterment of our beloved city.

Sincerely,
